Time

To every thing there is a season,
and a time to every purpose under
the heaven:

A time to be born, and a time to
die; a time to plant, and a time to
pluck up that which is planted;

A time to kill, and a time to heal;
a time to breakdown, and a time to
build up;

A time to weep, and a time to
laugh; a time to mourn, and a time to
dance;

A time to cast away stones, and a
time to gather stones together; a
time to embrace, and a time to re-
frain from embracing;

A time to get, and a time to lose;
a time to keep, and a time to cast
away;

A time to rend, and a time to sew;
a time to keep silence, and a time to
speak;

A time to love, and a time to hate;
a time of war, and a time of peace.

We're the Best In All We Do 'Cuz We're the Class Of Eighty-Two

The 1982 Senior Class Officers: President David Young, Secretary Laurie Miller, Yell Leader Jill Davis, and Vice President Tom Gallagher.

The 1982 Class of Seniors was a special and unique group. Mrs. Joan Berry, the senior counselor commented, "this was the first cohesive class in the history of Rogers High School. They meshed together with no junior high rivalries and continued to function as a total group through their three years."

The Class of 1982 was also enthusiastic and set a precedence of the first Parent Booster Club. This group of parents worked diligently to insure that the postgraduation party was fun as well as memorable.

The senior class was led by a group of hard working and humorous students. David Young showed excellent leadership as President, backed with a cabinet that consisted of Tom Gallagher the Vice President, Secretary Laurie Miller, and Yell Leader Jill Davis.

To summarize the feelings of the Class of 1982 Stefani Fersch wrote, "As we complete our years at Rogers and prepare to depart, we know that our education has provided us with skills for the future. As we begin our new lives after high school, we are eager to conquer the many challenges that await us. We will always retain fond memories of our years at Rogers."

The Class of 1982

In Memoriam

The students of the Class of '82 expressed a desire to recognize two fellow classmates lost during the past high school years. We dedicate this page to our two departed friends, Kenneth Kugler and Perry Waring. Both Kenneth and Perry will be missed at the graduation ceremony.

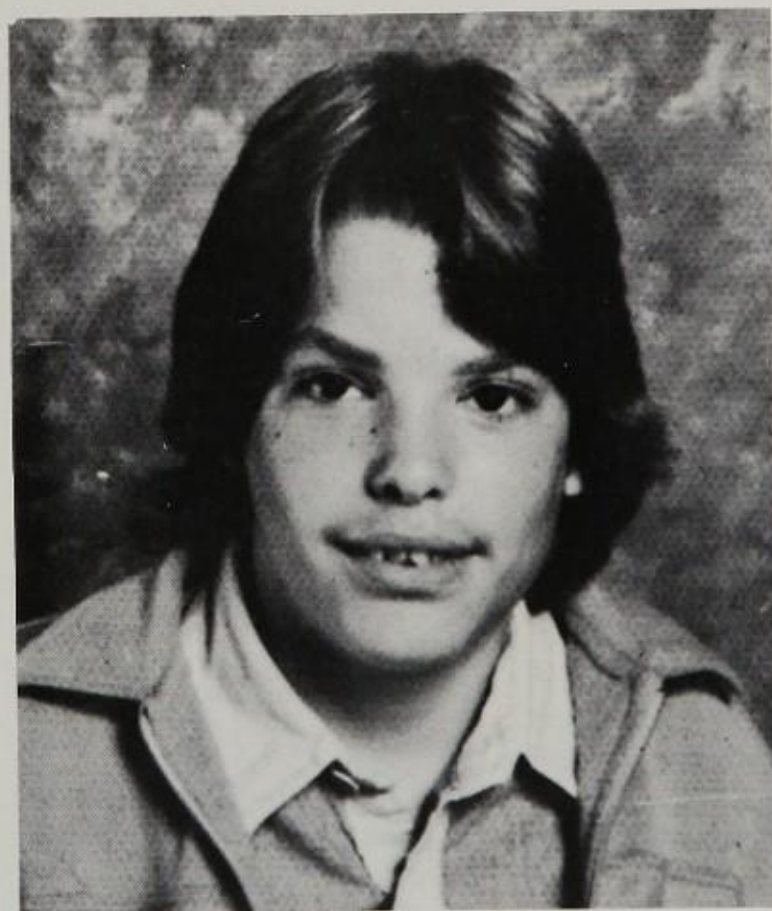

Kenneth Kugler

Kenneth Kugler was better known to his family and friends as Kenny. This special person touched the lives of everyone around him. Although Kenny suffered from a terminal illness, cystic fibrosis, his positive attitude and sense of humor continued. Kenny was an excellent student and was involved in many activities such as track, band and student government.

Perry Waring

One of our friends that we lost during our junior year was Perry Waring. Perry was a unique individual who was outgoing and humorous. His special trait of making people smile was apparent when watching him in the hallways and gatherings of friends. Perry could take a mundane day and turn it into fun and laughter.

Shelley Hook, Steve Lorenz, Wendy Mertlich, Janet Schmidt

The Class of '83 was described as one of the best classes to go through Governor John R. Rogers High School. The Class Officers were: President Steve Lorenz, Vice President Wendy Mertlich, Secretary Janet Schmidt, and Class Yell Leader Shelley Hook.

The Junior Class advisor was Mr. Larry Meyer. His comment about the 1981-82 year was positive. He stated, "Overall the Junior Class was a nice group to work with. They were active and involved in many school activities and sports.

The Juniors also were supported by a very active Parent Booster Club, chairmanned by Mr. Jerry Scelzi. This group raised over \$3000.00 for the graduation.

This year the class of '84 made their participation and spirit known throughout the year. Their enthusiasm at the pep assemblies was evident from the first day of school.

A very successful first annual Western Hoe Down was held in November. At intermission a square dance and contest was held. "Elvira" was the feature dance and sing along.

President Doug Oppelt was ably assisted by Julie Wolf as Vice-President, Mary Ames as Secretary and Cindy Holstrom as Yell Leader.

Spring participation in the Mayfest was outstanding. Look out upper classmen!

Togetherness has always been a strong point for the Rogers football team and this year it was no exception. Each player complemented the other so well that the result was a winning season. The coaches at Rogers thought that the team effort from each individual was 100% in both practices and in games. This year outstanding players were Kevin Scott, all SPSL running back, and Ken Galifus, all SPSL line-backer and tight end.

This years offense had a balance attack from both the passing and running games. Our defense proved to be the strong point of this years team, which was led by Ken Galifus and David Conn. The coaches proved a strong motivation for the players as a whole.

The Rams came up with a 7-2 record to take second place in the SPSL, chincing a play-off brith. Rogers met South Kitsap in the first round only to lose a hard fought battle. The final score was 30-24. There were no dissa-pointments for this years team. Ram pride still shines on in the Ram Football History.

The 1981 Sophomore football team gave up only 30 points and scored a high total of 251 points for the season. The Baby Rams finished in the number one slot in the SPSL. She also competed for All-American honors. Also attending state was sophomore DeAnna Blackwell.

S-P-S-L Champs was chanted by the fans as the Rogers "1981" Volleyball Team played their final league game of the season. The girls made history at Rogers with an 8-1 record SPSL league title, and a play-off berth to districts. They played well against Puyallup. "They kept their poise after losing the first game, and came back around, and played like champs!"

Ending their hopes for state playoffs, the Rams were defeated by Kent-Meridian and Evergreen in District play.

The whole team should be noted as "outstanding". "They all did a great job when they needed to", stressed Carmichal.

Senior Robin Heehn, an asset to the team, will be the only one they will be losing. "The returners should have better technique and skill and we will shoot for another SPSL title", commented Carmichal.

Young, enthusiastic, and aggressive is the only way to describe this year's Junior Varsity Team. They had a good season, and worked very hard. With all the experience and knowledge they gained this year, they should be a very competitive group of men next season.

1. Front Row: Mike Schneider, Jerry Hollaway, Mike Lindstrom, Jeff Davidson, David Baker, Shawn Reed, Sal Perez. Back Row: Tony Peterson, Dan Holt, Joel Simpson, Dan Bott, Doug Lees, Dave Young, Dan Eury, Ben Ames, Bob Ayala, Troy Watts.

2. A RAM wrestler muscles his opponent to the mat. *Dale Branson*

Wrestling is almost the only sport where one individual competes against another. Although it is scored as a team effort, the wrestlers are on their own as soon as they step onto the mat. But they do receive a lot of support from other team members, fans and family.

The RAMS hosted the annual Holiday Wrestling Tournament again this year. This is probably the toughest tournament in the state, and the RAMS placed fourth out of eight teams. They did very well, and were only two points behind third place South Kitsap.

On a team consisting of 13 members, Tom Baldwin and Mike Ayala were the only two seniors who had wrestled varsity for their three years at Rogers. Both Baldwin and Ayala were undefeated at press time, and they also placed first for their weight class in the Holiday Tournament. Two year varsity wrestlers were Brock Knowles and Darrell Spivey. Knowles placed second in the tournament, Spivey placed third and junior Doug Willey also took third. It has taken a lot of hard work for these men to be where they are now. Although state titles weren't available at press time, Baldwin, Ayala, and Knowles looked very promising for state competition.

1. Front Row: Rusty Bagley-135, Mike Ayala-129, Tom Baldwin-122, Darrell Spivey-115, Doug Willey-108, Dale Branson-101, Second Row: Coach Omli, Mike Millsap-158, Chris Portmann-141, Dave Downey-168, Ken Gailfus-190, Jay Lont-190, Brock Knowles-148, Bill Strickland-unlimited, Alvin Clemens.

Rams Capture SPSL Crown

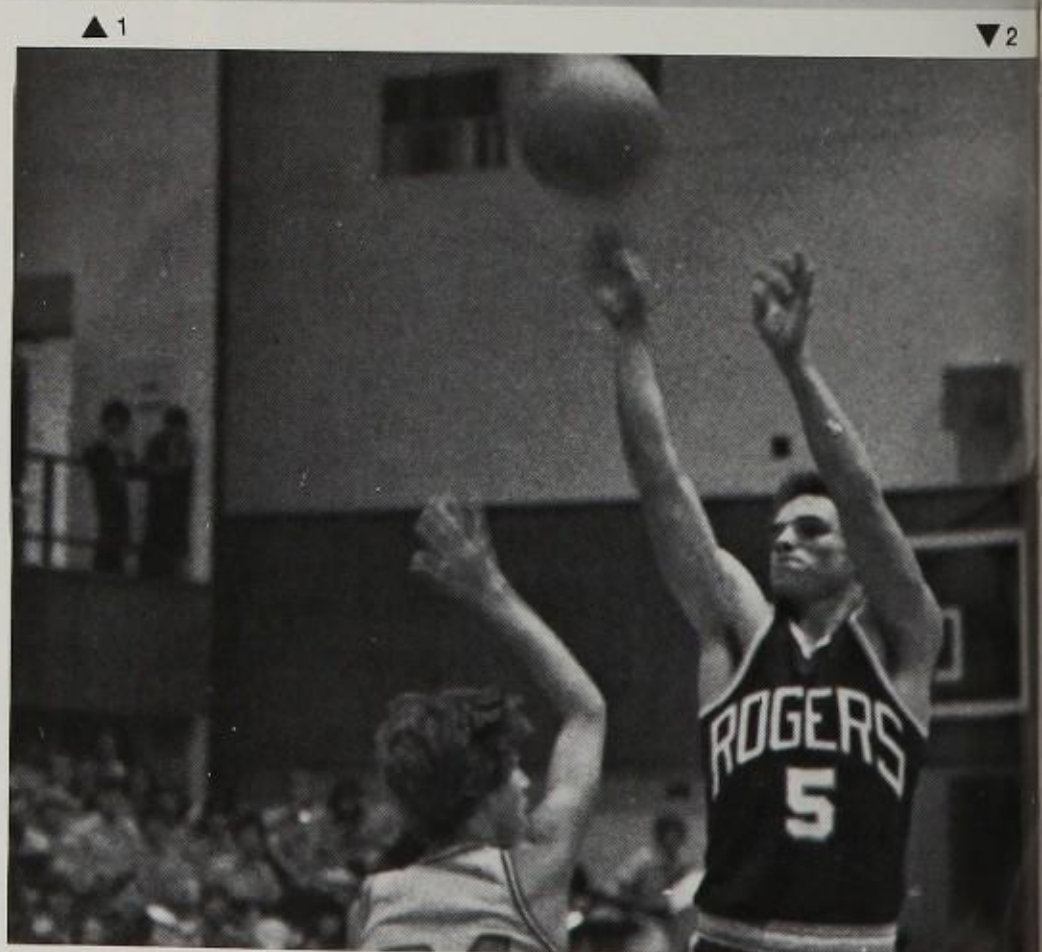

The 1982 Varsity Basketball team entered the season with high expectations. The roundballers concentrated their efforts and won the 1982 SPSL Crown. Two individuals who proved outstanding were Todd Daugherty voted MVP and Dan Wildermuth voted to the 1st Team All League. The Varsity Team continued their efforts and placed in the Regional Tournament.

Coach Dick Halleen emphasized the unique attitude and spirit of the '82 team. "The team was one of the best groups in years. They had a mature attitude that allowed themselves to play under pressure and achieve their goals. During the basketball season there was a unity displayed in the team, Pep Band, yellstaff, student body and parents. It was a pleasure to be an active part of one of the most positive seasons."

The 1981-82 Girls Varsity Basketball team worked diligently to improve not only as individuals but as a team. A 2nd place play-off berth was strived for as a goal.

The outstanding playing ability of this group of girls consisted from an overall effort of the entire team. Their shooting ability, much improved defense, and fast-break game, helped the Rams obtain their goals.

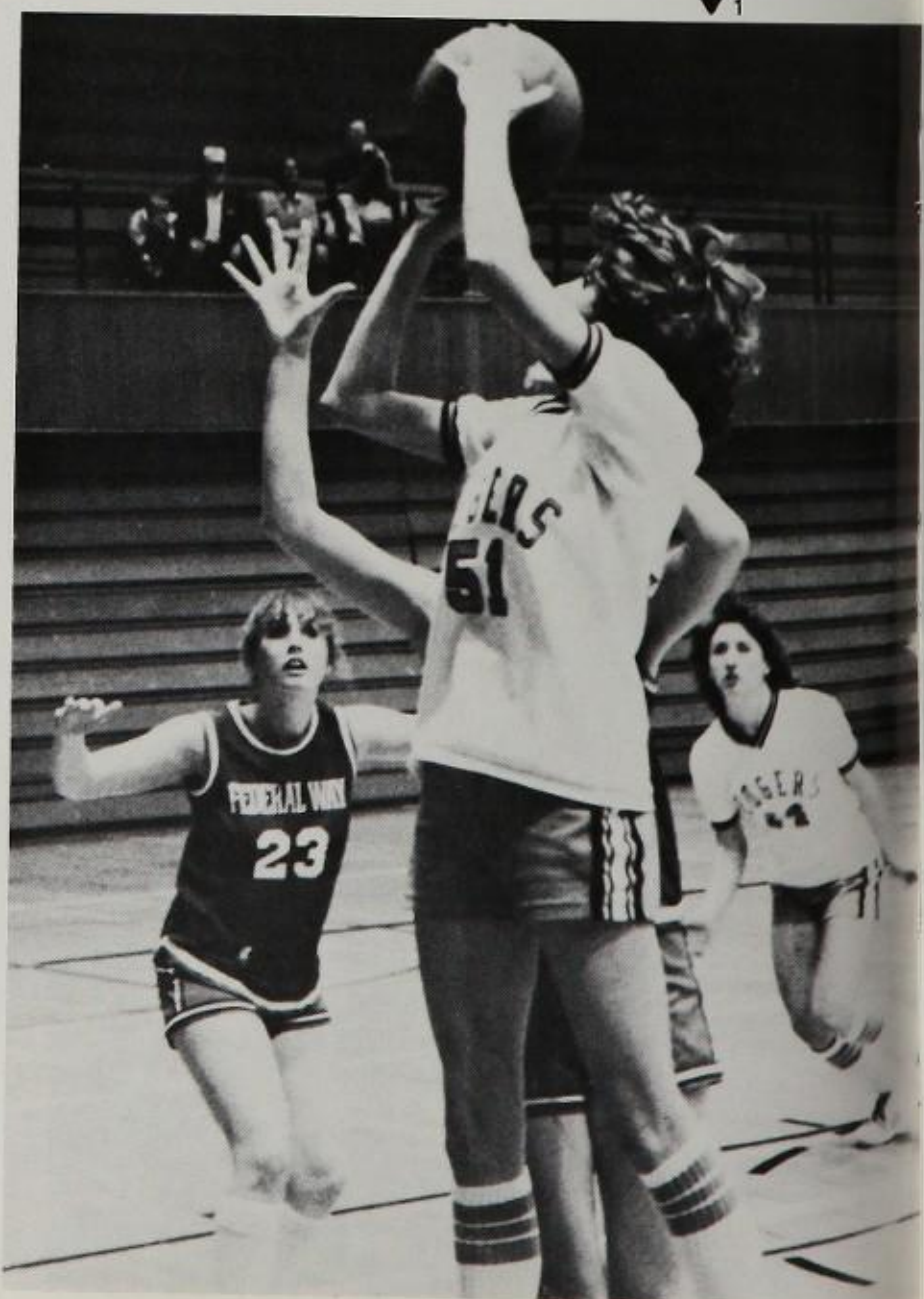

Coinciding with their shooting ability, the girls broke a SPSL individual game point record against Sumner, with a score of 92-35.

The Rams best game of the season came with a victory over the Puyallup Vikings, at Puyallup. This was a first in Ram history.

Seniors Robin Heehn and Shelley Schrader provided the leadership of the team. Six other juniors and three sophomores made up the remaining team.

Being a young team, the girls future years look promising as a tough league contender.

Standing: Coach Dennis Nelson, Janet Schmidt, Joan Wildermuth, Cindy Pitzinger, Robin Heehn, Sheri Bauer, Tina Goter, Shelly Schrader, Michelle Frerich, Coach Phil Carmicheal. Baseball '82

Defense was great, the batters were better,
The first game was tied due to bad weather.
A lonely figure with knuckles so white,
Stood grasping the backstop yelling "fight, fight, fight!"
This lonely figure better known as the coach,
Bragged about his team from coast to coast.
Out in the field the RAMS were awesome,
Their arms were phenomenal, they could really toss 'em.
Crawford or Black pitched with all of their might,
Trent caught the ball, the call was a strike.
Three men were out and the RAMS at the plate,
Up stepped Moseson then Lont, not a moment too late.
As they gripped the bat their muscles rippled,
What do you know, they both hit a triple.
The '82 Season was filled with success,
We could go into detail but you know the rest.
That lonely figure with knuckles so white,
Stood grasping the backstop yelling "you guys did alright!"

The J.V. Baseball Team was reinstated this year at Rogers High School. This group consisted of many fine players and their success was a result from the unity between players.

The Rams goals were to take first or second in league, beat Federal Way, and to become a unified team. A combination of skill and experience helped these young men reach their goals.

Coach Nelson was very optimistic about his team from the beginning of the season. "We have the ability to become a very good team. Through hard work and aggressive play, we will obtain our goals."

Next year the team will welcome back most of the players as a tough league contender.

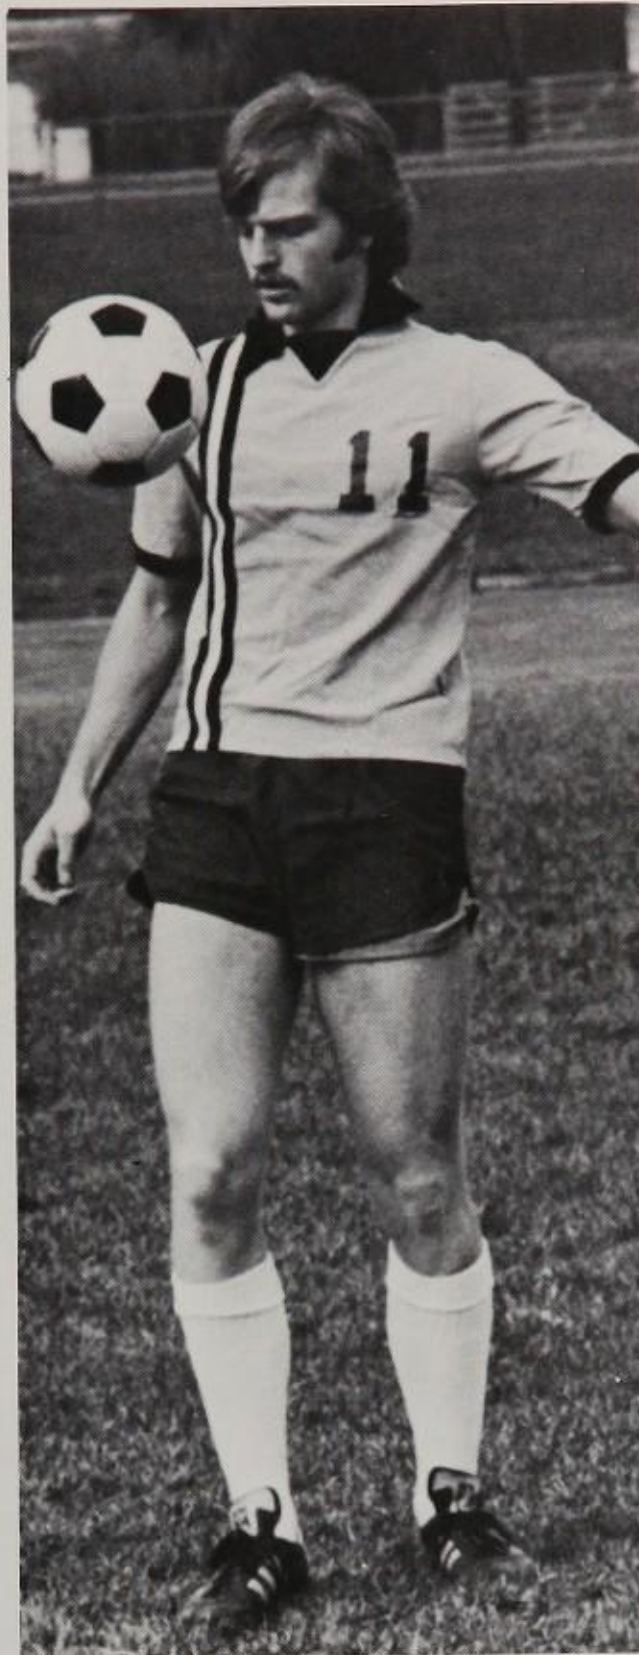

1. Mark Berger demonstrates the agile footwork leading to the Rams successful season.
2. Brent McCollough eyes the ball.
3. Steve Lorenz prepares to block a pass during the Puyallup game.
4. During Bethel game, Todd Brinkman illustrates the special skill of heading the ball.

Positive attitudes and cooperation among the boys and girls were just a couple reasons the track team ran so smoothly. A good balance of experienced runners along with a healthy group of novice tracksters provided the team with the people needed for a promising season.

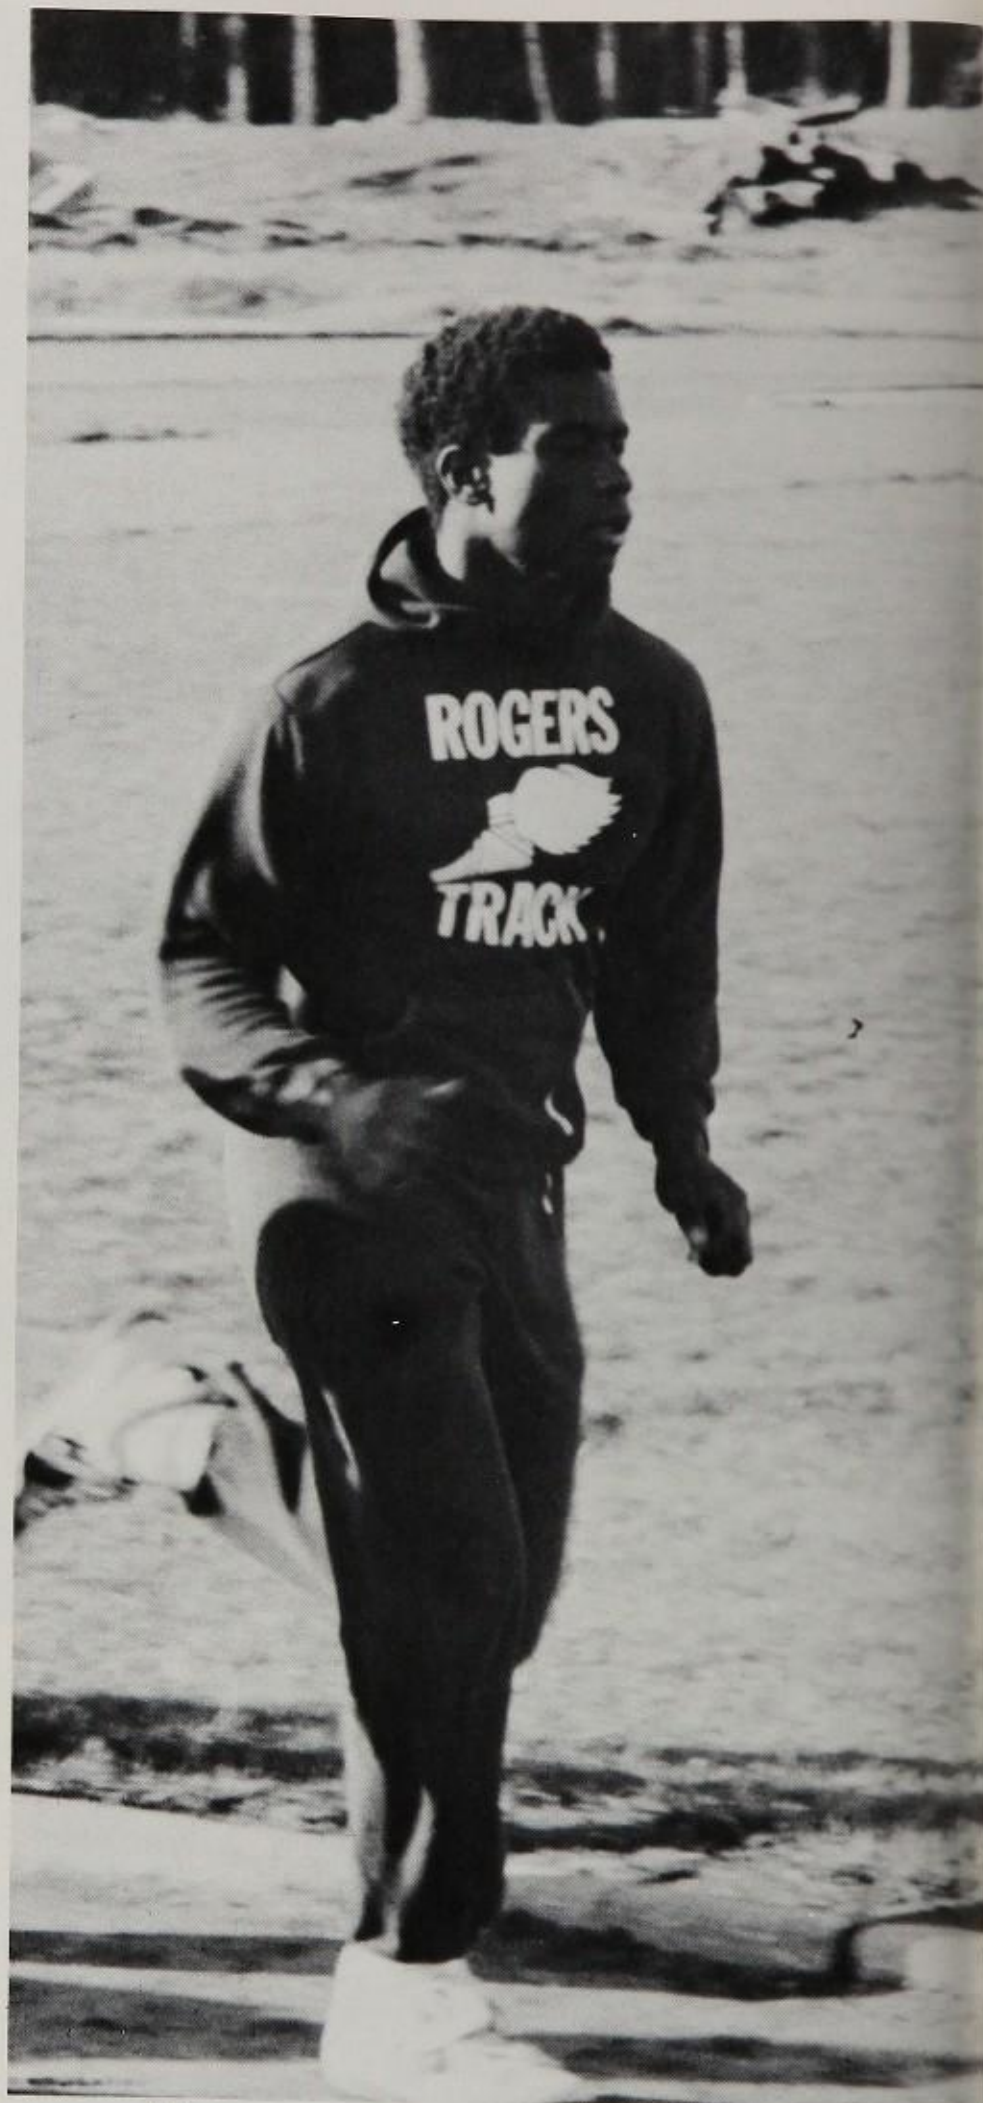

Good spirits and potential were the main characteristics of the 1982 track team. This team was coached by Miss Nybo, Mr. Wier, Mr. Reed, and Mr. Erlinmeyer. Kevin Scott, a talented athlete, did an excellent job as team captain.

For the girls, it was a rebuilding season. A lot of sophomores and new runners were on the track team this year. Miss Nybo commented, "I'm really looking forward to this year. It should be a lot of fun." Miss Nybo had high expectations of Shelly Shrader. Mr. Weir simply stated, "I want everyone just to have a good time." Everyone worked hard, and their dedication and determination kept them running tough all season.

The theme of the Daffodil Festival this year was "Daffodil Salutes Country Western". Each candidate for Daffodil Princess wrote and memorized a three minute speech and answered an impromptu question that went along with the Country-Western theme.

The candidates spent many long hard hours with their advisors, Mrs. Houghton, Mrs. Clayton, and Mrs. Wilkenson, preparing for the luncheon and the Princess Coronation. The girls became a very close-knit group because they spent a lot of time together, and because of the excitement and anticipation they shared in together.

As a princess, Judi Anderson became a part of many activities, and she found her time absorbed by exciting appearances, meeting new friends, developing self-confidence, and finally, competing with other representatives from surrounding schools in selection for Queen of the Daffodil Festival of 1982.

Rogers' annual Homecoming was held the week of October 25-30. Students started the week off on Monday by dressing up as either hippies or soldiers for War and Peace Day. On Tuesday, students wore togas to celebrate Ancient Roman Day. Wednesday, which was Yankee Doodle Day, began with a Continental breakfast at 7:00 am. Transylvania Day, and Days of the Knights and Ladies concluded the week's dress up days.

Queen Tina Russell and King Ed Kramer reigned over the alumni assembly on Friday, which was marked by a Swing Choir performance, class competition and the Royalty presentation.

Homecoming chairmans, Kelli Hartley and Brian Steeves, along with many of the senior students, put in many hard hours to make the entire week a success.

The 1981-82 yellstaff was a group of girls that were well respected by their fellow classmates.

Cheerleading was not all glamour and excitement though. It was a lot of hard work, with long hours of planning and preparing for pep assemblies, creating new cheers and new ways to inspire spirit.

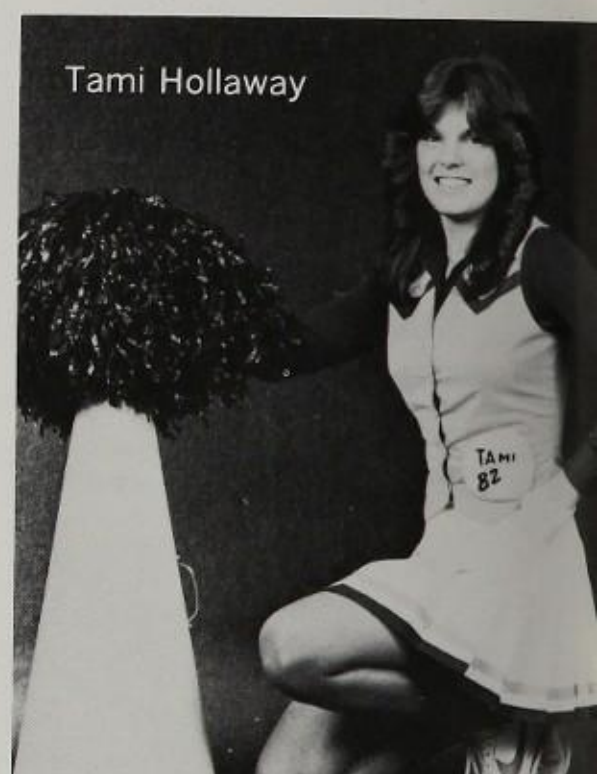

Seniors on the squad are Sue Llapitan and Robyn Nyman. Returning hopefully next year will be six juniors. They are Tracy Wagaman, Kendel Noonan, Bev Michel, Christine Wilson, Tami Hollaway, and Laurie Sawyer.

Advisor for the girls was Mrs. Pam Kinkela.

Student Council has approximately 70 representatives. These students came together to decide on projects and to help further them as the school year continued.

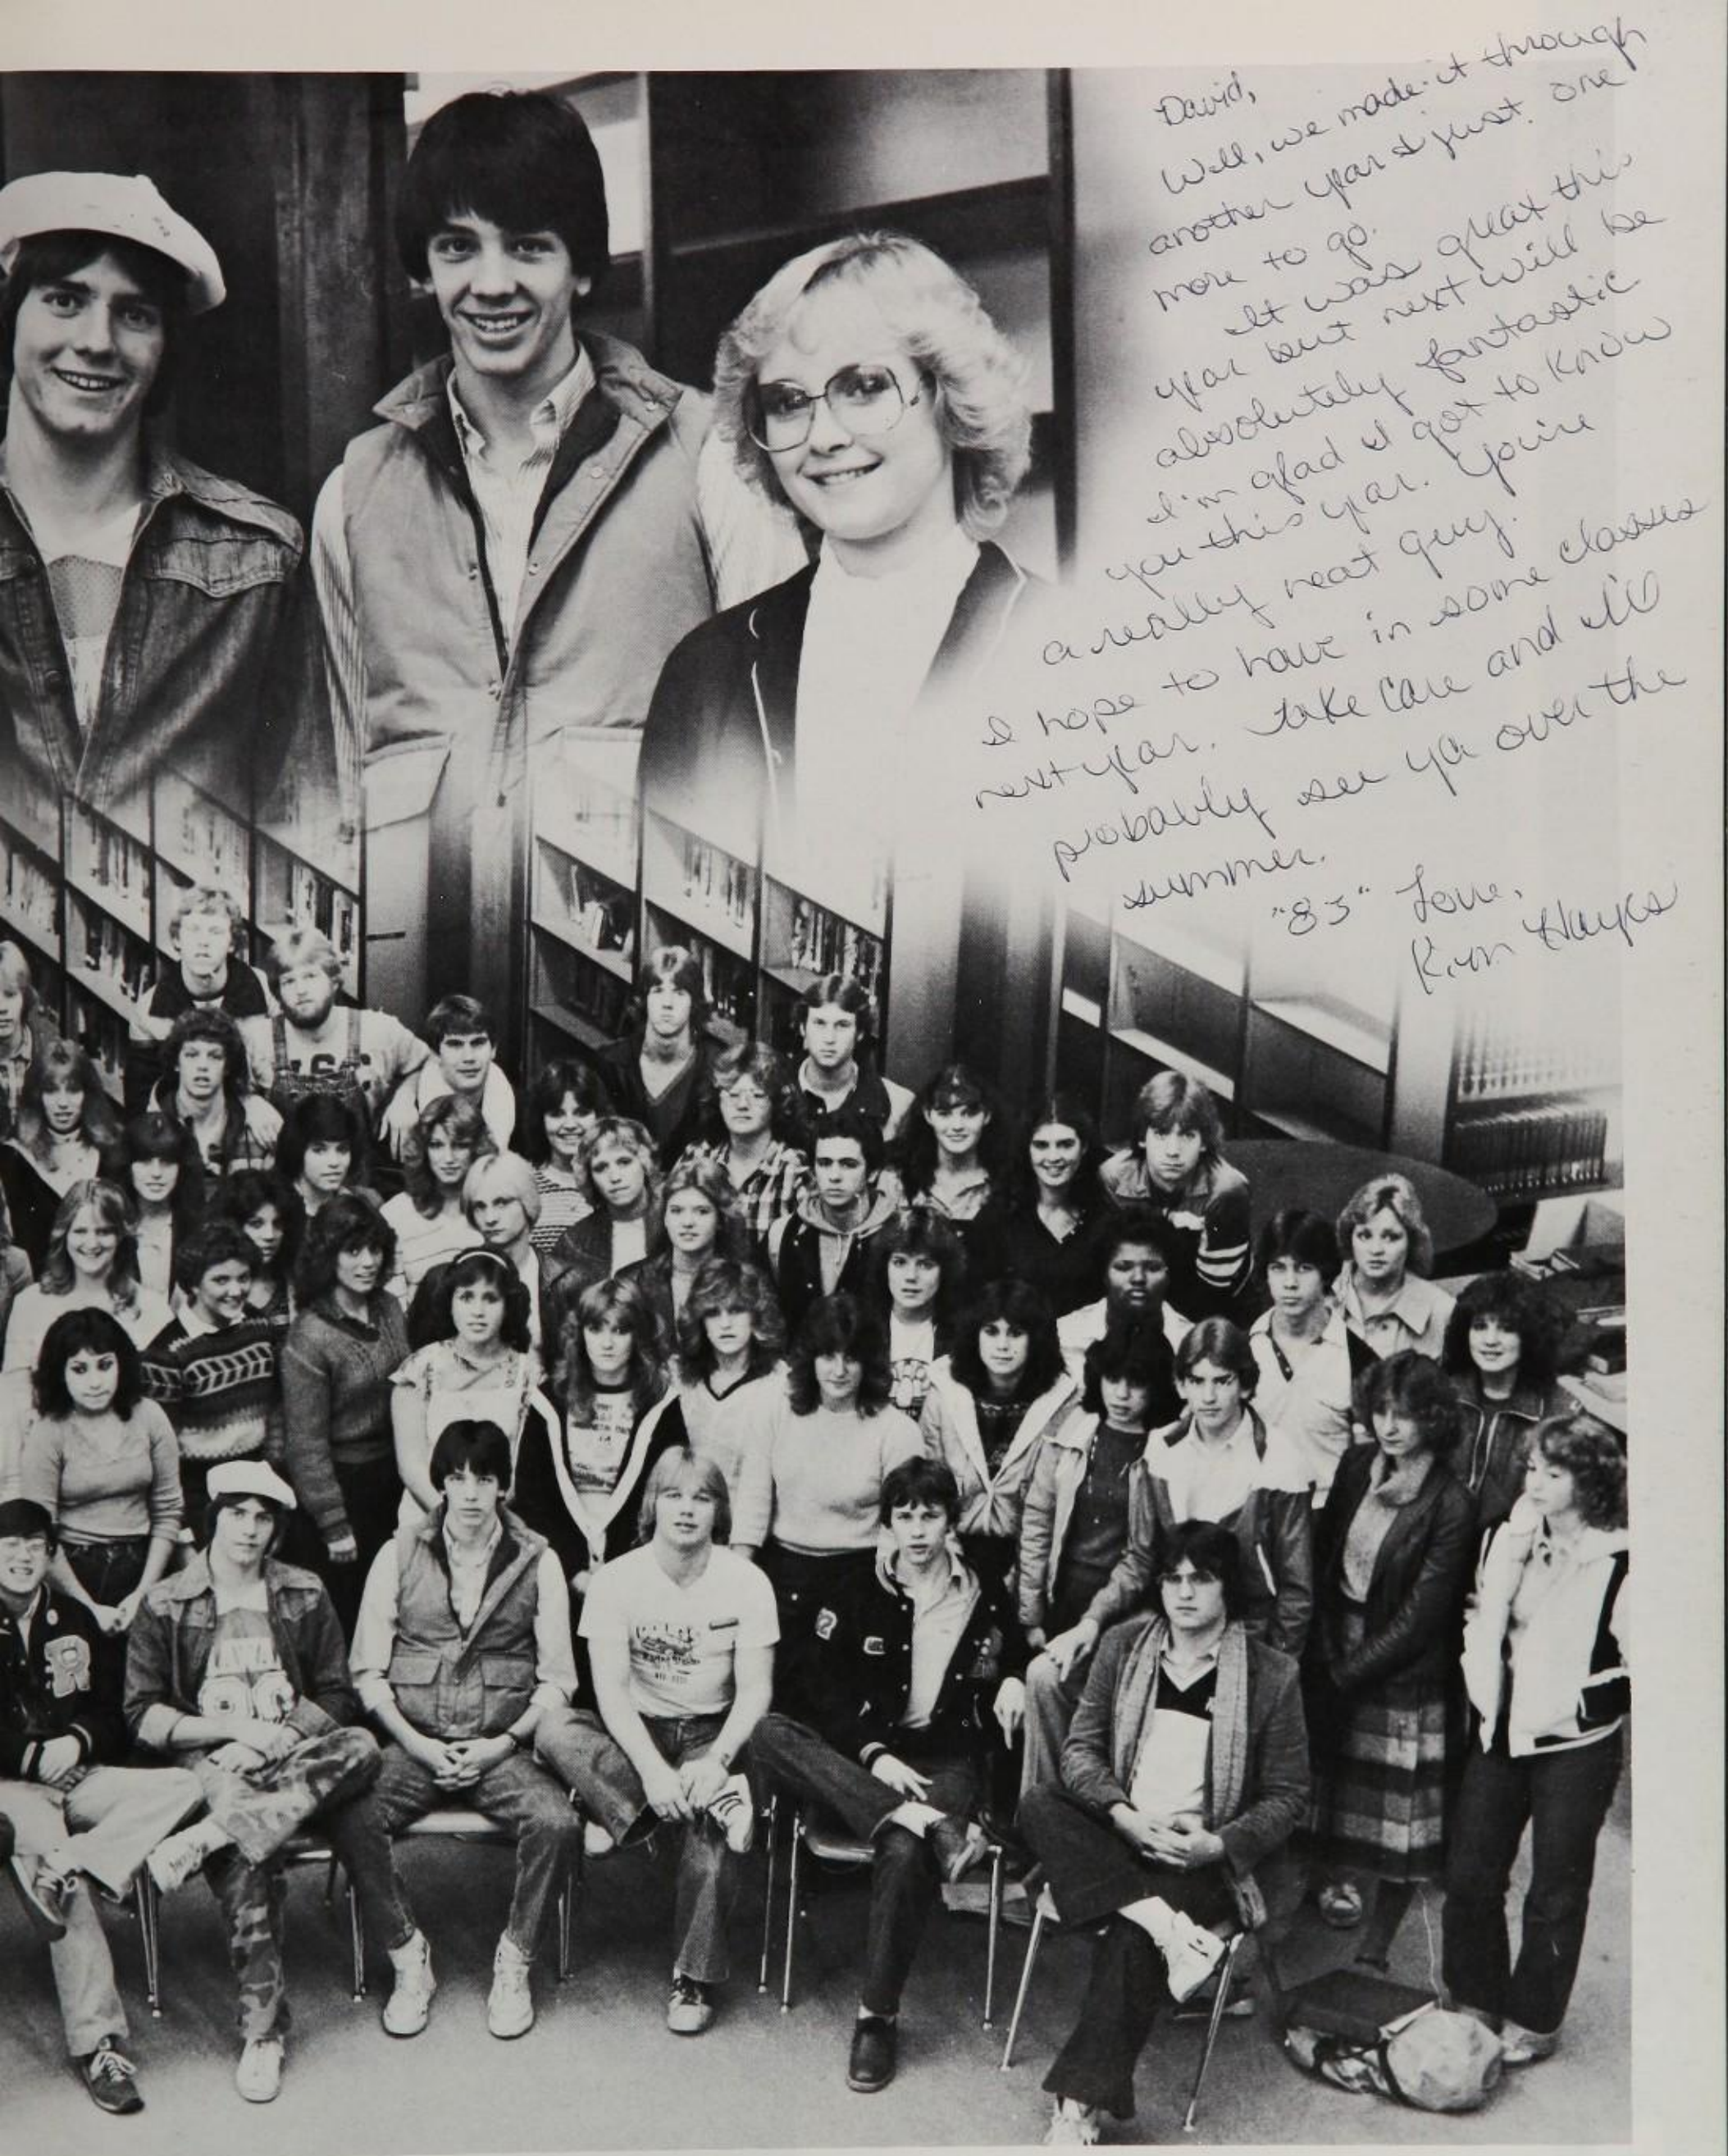

One of the goals for student council was to cultivate and organize school spirit in order to carry out worthwhile activities and projects. One special project student council worked on was a reader board for activities to be built either in front of the school or in the courtyard.

Teachers roles for student council were important. They were used as a source of history of past projects or activities, as overseers and advised committee chairpersons. They took part in activities and contributed their ideas.

This year the staff at Rogers has demonstrated a deep concern for meeting the individual needs of the students. They have stressed the learning of their subject matter as well as human relations and interaction within their society. Rogers High School is fortunate to have such professional people dedicated to their work. The work of the staff is directly reflected in the attitude presented by the Rogers student body. This has been a year with few problems and a lot of enthusiasm towards the opportunities available for the students.

The RHS faculty has often expressed many compliments regarding the quality of students in their classes. Hopefully, the student body, and especially those seniors who are leaving this year, will often look back on their years at Rogers and remember the good times, those teachers who cared about them and their future. And, while reminiscing, don't forget the successful programs and activities enjoyed so much, such as athletics and drama productions, forensic tournaments, and the many clubs and advisors who contributed so much to Rogers High School.

Rogers continues to expand to accommodate its growing student body. Opening October 30, 1982, will be the 2.2 million dollar 26,000 square foot addition to the Rogers campus. This brick building will contain a Performing Arts center with an 850 person seating capacity, a weight room station, 3 foreign language rooms, 2 business education rooms for typing and accounting, one computer science room, one biology room, and one biology/chemistry room. It doubles the size of the present girls and boys locker rooms. The expense is shared, 30% local money and 70% state money. The state receives the money from school owned timber sales. A bond for a new swimming pool will be voted on next year sometime, so hopefully in the future Rogers High School will have a pool of its own.

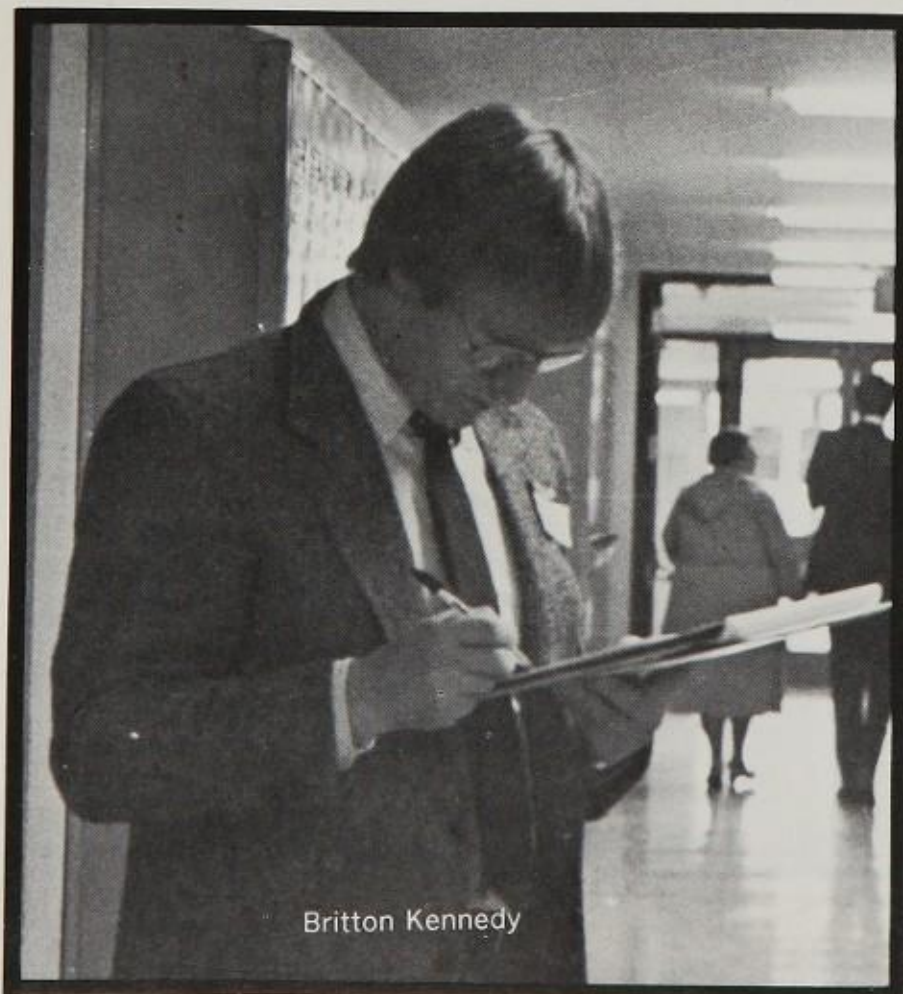

I'll try and wear

This year Rogers High School went through the process required for Accreditation by the Northwest Association of schools and colleges. The process required the staff to assess its efforts in all curricular and extra-curricular activities. It included a review of our communities educational needs and its philosophy of education. It included an evaluation of the school facilities and staff qualifications. After the staff at Rogers completed a self study and wrote reports in each of 21 areas examined. Eighty-Five educators from around the state visited Rogers to see if the self assessment was accurate. They wrote a report including commentations and recommendations for improvement which we hope to supplement and improve our school. Over all the team was extremely impressed with our student body and the positiveness of the entire program.

David, another year has come & gone & this year we hardly saw each other. I am really going to miss you. I hope we can always be good friends & I won't forget you ever. We can always remember the good times we shared. The ninth grade dance was one to remember. Our first date! My mom & dad won't forget you either. They really like you.

You are one of the guys that I've gone with that I regret leaving up with. But I'm glad we are in the future. I hope you might cross again! And we'll come of it. I break any liking you that one I stated me & Gary. But we never at school. I hope you have a great summer & a terrific senior year. I hope to see you at graduation & I am coming into to much trouble with the girls. And don't wreck that beautiful car. Don't you get the hint. I only like ya for the van. (just kidding) But always remember that you are a very special person to me & I'm not just saying that to be nice. You're super. Lets always keep in touch. Stay sweet! you have to send me lunches & lunches of pictures of you so I can show all my friends.

P.S. Call sometime or drop in. Love ya Forever Michelle Kauffman

Time

To every thing there is a season,
and a time to every purpose under
the heaven:

A time to be born, and a time to
die; a time to plant, and a time to
pluck up that which is planted;

A time to kill, and a time to heal;
a time to breakdown, and a time to
build up;

A time to weep, and a time to
laugh; a time to mourn, and a time to
dance;

A time to cast away stones, and a
time to gather stones together; a
time to embrace, and a time to re-
frain from embracing;

A time to get, and a time to lose;
a time to keep, and a time to cast
away;

A time to rend, and a time to sew;
a time to keep silence, and a time to
speak;

A time to love, and a time to hate;
a time of war, and a time of peace.

We're the Best In All We Do 'Cuz We're the Class Of Eighty-Two

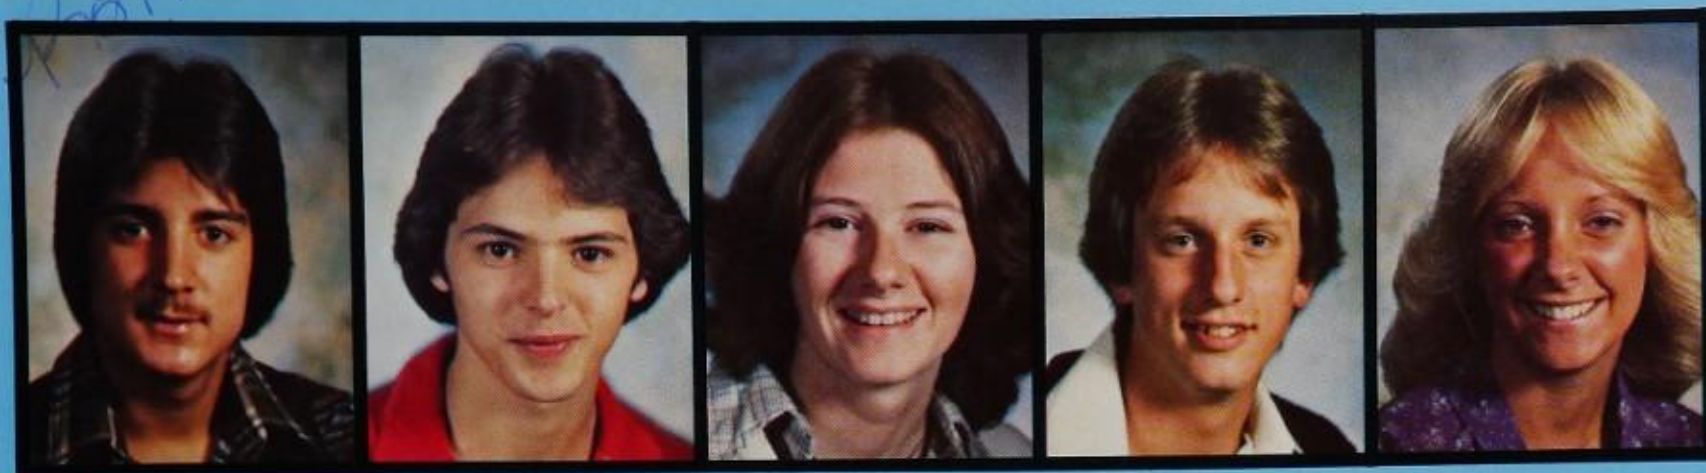

The 1982 Senior Class Officers: President David Young, Secretary Laurie Miller, Yell Leader Jill Davis, and Vice President Tom Gallagher.

The 1982 Class of Seniors was a special and unique group. Mrs. Joan Berry, the senior counselor commented, "this was the first cohesive class in the history of Rogers High School. They meshed together with no junior high rivalries and continued to function as a total group through their three years."

The Class of 1982 was also enthusiastic and set a precedence of the first Parent Booster Club. This group of parents worked diligently to insure that the postgraduation party was fun as well as memorable.

The senior class was led by a group of hard working and humorous students. David Young showed excellent leadership as President, backed with a cabinet that consisted of Tom Gallagher the Vice President, Secretary Laurie Miller, and Yell Leader Jill Davis.

To summarize the feelings of the Class of 1982 Stefani Fersch wrote, "As we complete our years at Rogers and prepare to depart, we know that our education has provided us with skills for the future. As we begin our new lives after high school, we are eager to conquer the many challenges that await us. We will always retain fond memories of our years at Rogers."

The Class of 1982

In Memoriam

The students of the Class of '82 expressed a desire to recognize two fellow classmates lost during the past high school years. We dedicate this page to our two departed friends, Kenneth Kugler and Perry Waring. Both Kenneth and Perry will be missed at the graduation ceremony.

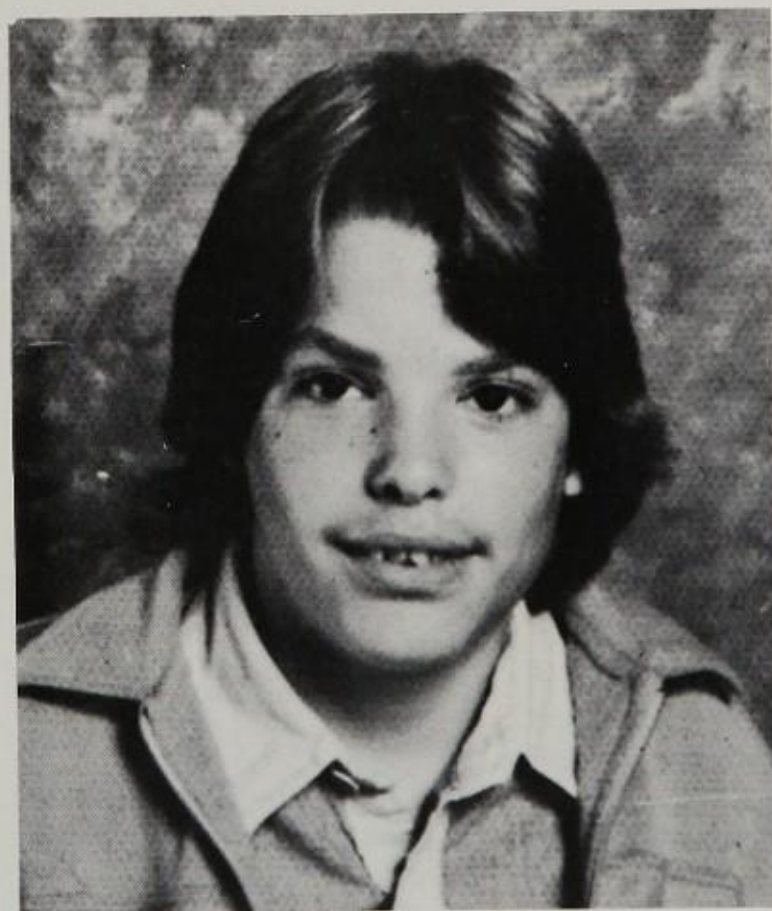

Kenneth Kugler

Kenneth Kugler was better known to his family and friends as Kenny. This special person touched the lives of everyone around him. Although Kenny suffered from a terminal illness, cystic fibrosis, his positive attitude and sense of humor continued. Kenny was an excellent student and was involved in many activities such as track, band and student government.

Perry Waring

One of our friends that we lost during our junior year was Perry Waring. Perry was a unique individual who was outgoing and humorous. His special trait of making people smile was apparent when watching him in the hallways and gatherings of friends. Perry could take a mundane day and turn it into fun and laughter.

Shelley Hook, Steve Lorenz, Wendy Mertlich, Janet Schmidt

The Class of '83 was described as one of the best classes to go through Governor John R. Rogers High School. The Class Officers were: President Steve Lorenz, Vice President Wendy Mertlich, Secretary Janet Schmidt, and Class Yell Leader Shelley Hook.

The Junior Class advisor was Mr. Larry Meyer. His comment about the 1981-82 year was positive. He stated, "Overall the Junior Class was a nice group to work with. They were active and involved in many school activities and sports."

The Juniors also were supported by a very active Parent Booster Club, chairmanned by Mr. Jerry Scelzi. This group raised over \$3000.00 for the graduation.

This year the class of '84 made their participation and spirit known throughout the year. Their enthusiasm at the pep assemblies was evident from the first day of school.

A very successful first annual Western Hoe Down was held in November. At intermission a square dance and contest was held. "Elvira" was the feature dance and sing along.

President Doug Oppelt was ablely assisted by Julie Wolf as Vice-President, Mary Ames as Secretary and Cindy Holstrom as Yell Leader.

Spring participation in the Mayfest was outstanding. Look out upper classmen!

Togetherness has always been a strong point for the Rogers football team and this year it was no exception. Each player complemented the other so well that the result was a winning season. The coaches at Rogers thought that the team effort from each individual was 100% in both practices and in games. This year outstanding players were Kevin Scott, all SPSL running back, and Ken Galifus, all SPSL line-backer and tight end.

This years offense had a balance attack from both the passing and running games. Our defense proved to be the strong point of this years team, which was led by Ken Galifus and David Conn. The coaches proved a strong motivation for the players as a whole.

The Rams came up with a 7-2 record to take second place in the SPSL, chincing a play-off brith. Rogers met South Kitsap in the first round only to lose a hard fought battle. The final score was 30-24. There were no dissa-pointments for this years team. Ram pride still shines on in the Ram Football History.

The 1981 Sophomore football team gave up only 30 points and scored a high total of 251 points for the season. The Baby Rams finished in the number one slot in the SPSL. The swimming program has greatly improved these past three years. The swim team had members who qualified for state this year. Captain Stefani Fersch swam state qualifying times in the 50 free, 100 free, and 100 butterfly. Jill Jeffery qualified early in the season with high scores in diving. She also competed for All-American honors. Also attending state was sophomore DeAnna Blackwell.

The girls swim team will lose three seniors; Stefani Fersch, Rhonda Patterson, and Jill Jeffery. These girls demonstrated excellent swimming and diving abilities. Rogers looks forward to next years swimming season with high expectations of the returning juniors and sophomores.

SPSL Champs

S-P-S-L Champs was chanted by the fans as the Rogers "1981" Volleyball Team played their final league game of the season. The girls made history at Rogers with an 8-1 record SPSL league title, and a play-off berth to districts. They played well against Puyallup. "They kept their poise after losing the first game, and came back around, and played like champs!"

Ending their hopes for state playoffs, the Rams were defeated by Kent-Meridian and Evergreen in District play.

The whole team should be noted as "outstanding". "They all did a great job when they needed to", stressed Carmichal.

Senior Robin Heehn, an asset to the team, will be the only one they will be losing. "The returners should have better technique and skill and we will shoot for another SPSL title", commented Carmichal.

Young, enthusiastic, and aggressive is the only way to describe this year's Junior Varsity Team. They had a good season, and worked very hard. With all the experience and knowledge they gained this year, they should be a very competitive group of men next season.

1. Front Row: Mike Schneider, Jerry Hollaway, Mike Lindstrom, Jeff Davidson, David Baker, Shawn Reed, Sal Perez. Back Row: Tony Peterson, Dan Holt, Joel Simpson, Dan Bott, Doug Lees, Dave Young, Dan Eury, Ben Ames, Bob Ayala, Troy Watts.

2. A RAM wrestler muscles his opponent to the mat.

Wrestling is almost the only sport where one individual competes against another. Although it is scored as a team effort, the wrestlers are on their own as soon as they step onto the mat. But they do receive a lot of support from other team members, fans and family.

The RAMS hosted the annual Holiday Wrestling Tournament again this year. This is probably the toughest tournament in the state, and the RAMS placed fourth out of eight teams. They did very well, and were only two points behind third place South Kitsap.

On a team consisting of 13 members, Tom Baldwin and Mike Ayala were the only two seniors who had wrestled varsity for their three years at Rogers. Both Baldwin and Ayala were undefeated at press time, and they also placed first for their weight class in the Holiday Tournament. Two year varsity wrestlers were Brock Knowles and Darrell Spivey. Knowles placed second in the tournament, Spivey placed third and junior Doug Willey also took third. It has taken a lot of hard work for these men to be where they are now. Although state titles weren't available at press time, Baldwin, Ayala, and Knowles looked very promising for state competition.

1. Front Row: Rusty Bagley-135, Mike Ayala-129, Tom Baldwin-122, Darrell Spivey-115, Doug Willey-108, Dale Branson-101, Second Row: Coach Omli, Mike Millsap-158, Chris Portmann-141, Dave Downey-168, Ken Gailfus-190, Jay Lont-190, Brock Knowles-148, Bill Strickland-unlimited, Alvin Clemens.

2. Coach Omli focuses his attention on the match.

3. Chris Portmann concentrates on pinning his opponent.

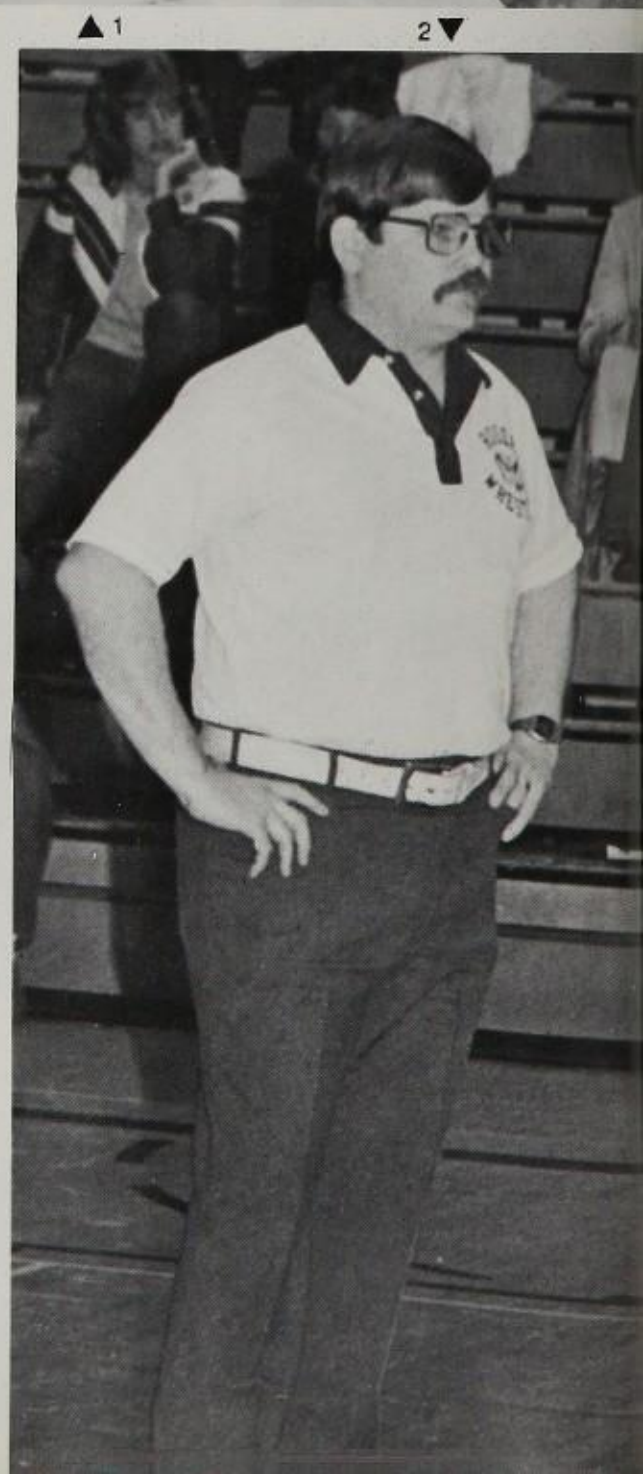

4. Mike Ayala uses "Ala Power" to pin.

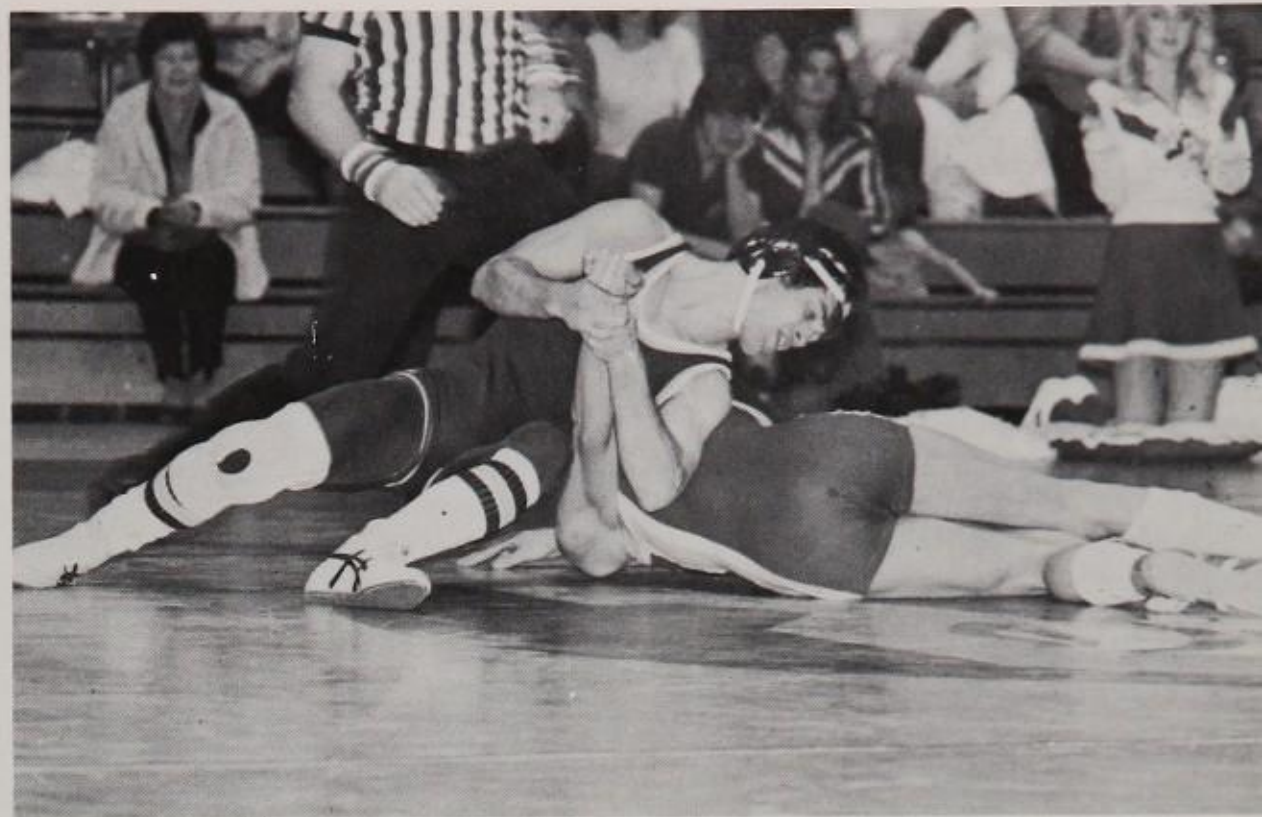

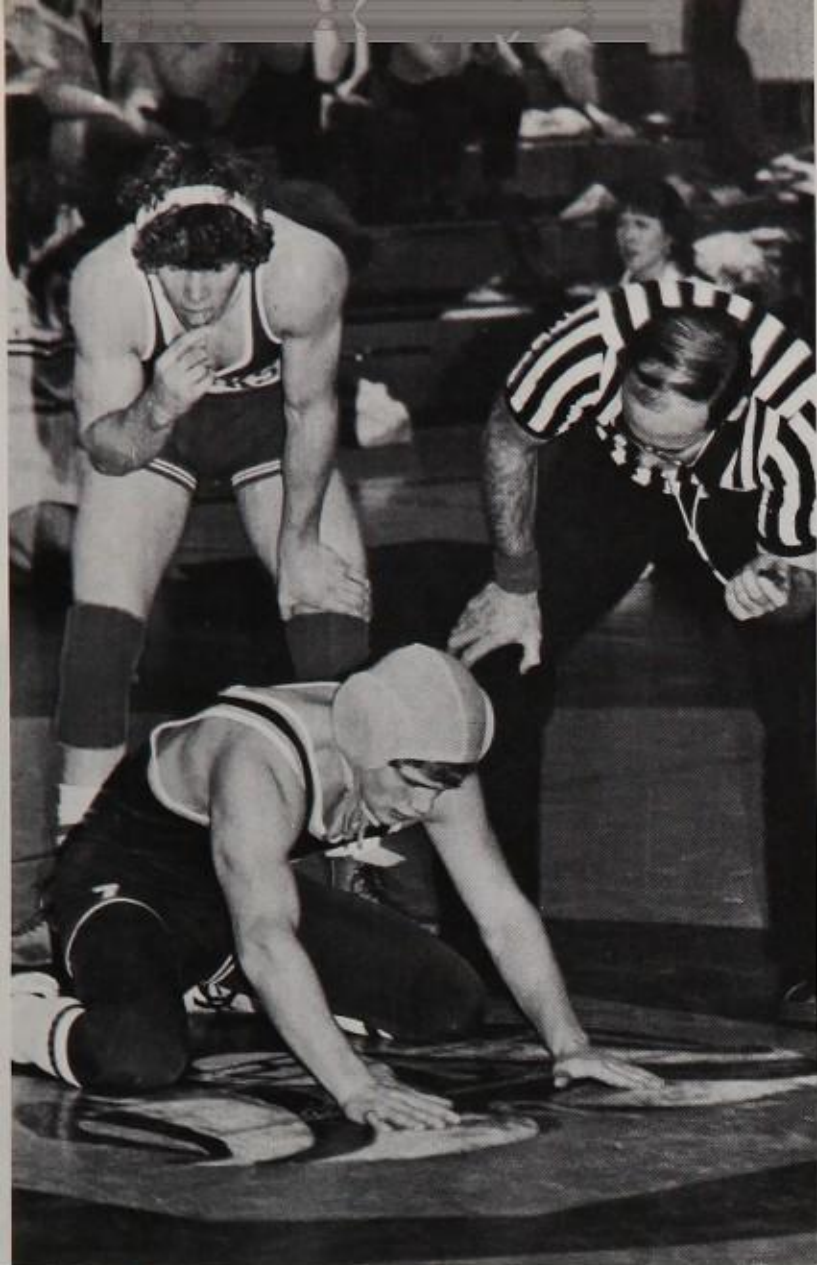

5. Poor Ken Gailfus can't even touch his little toes.

6. Rusty Bagley prepares to throw a reversal on his opponent.

They had a mature attitude that allowed themselves to play under pressure and achieve their goals. The girls best game of the season was a victory against the Sumner Spartans, 44-42.

The 1981-82 Girls Varsity Basketball team worked diligently to improve not only as individuals but as a team. A 2nd place play-off berth was strived for as a goal.

The outstanding playing ability of this group of girls consisted from an overall effort of the entire team. Their shooting ability, much improved defense, and fast-break game, helped the Rams obtain their goals.

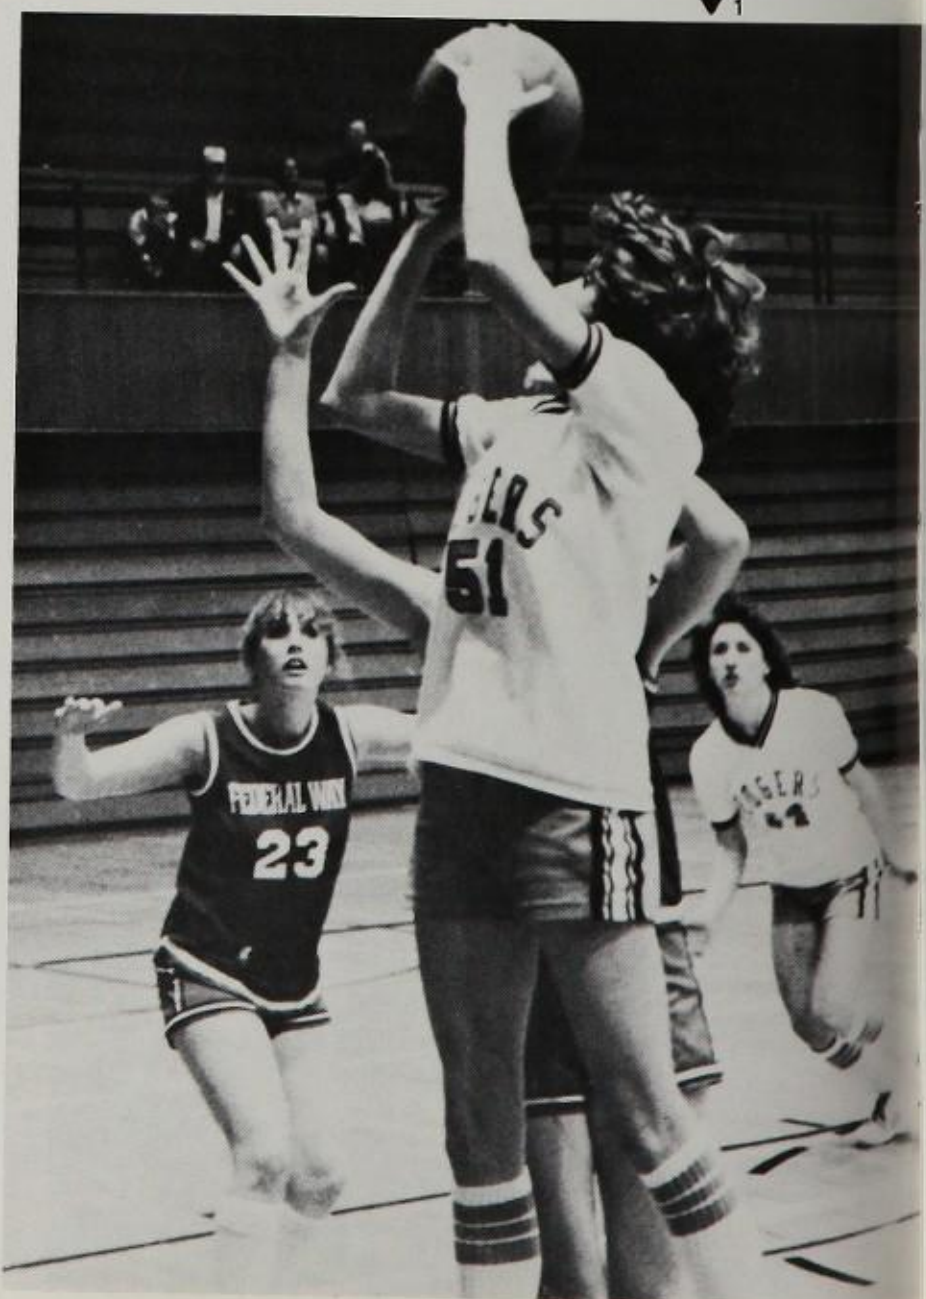

Coinciding with their shooting ability, the girls broke a SPSL individual game point record against Sumner, with a score of 92-35.

The Rams best game of the season came with a victory over the Puyallup Vikings, at Puyallup. This was a first in Ram history.

Seniors Robin Heehn and Shelley Schrader provided the leadership of the team. Six other juniors and three sophomores made up the remaining team.

Being a young team, the girls future years look promising as a tough league contender.

Standing: Coach Dennis Nelson, Janet Schmidt, Joan Wildermuth, Cindy Pitzinger, Robin Heehn, Sheri Bauer, Tina Goter, Shelly Schrader, Michelle Frerich, Coach Phil Carmicheal. Kneeling: Debbie Barns, Shaun Gray, Angie McReynolds Christine Hannon, Jill Nelson, Sue Johnson, Phyllis Gover, Missy Rogers.

Baseball '82

Defense was great, the batters were better,
The first game was tied due to bad weather.
A lonely figure with knuckles so white,
Stood grasping the backstop yelling "fight, fight, fight!"
This lonely figure better known as the coach,
Bragged about his team from coast to coast.
Out in the field the RAMS were awesome,
Their arms were phenomenal, they could really toss 'em.
Crawford or Black pitched with all of their might,
Trent caught the ball, the call was a strike.
Three men were out and the RAMS at the plate,
Up stepped Moseson then Lont, not a moment too late.
As they gripped the bat their muscles rippled,
What do you know, they both hit a triple.
The '82 Season was filled with success,
We could go into detail but you know the rest.
That lonely figure with knuckles so white,
Stood grasping the backstop yelling "you guys did alright!"

The J.V. Baseball Team was reinstated this year at Rogers High School. This group consisted of many fine players and their success was a result from the unity between players.

Coach Nelson was very optimistic about his team from the beginning of the season. "We have the ability to become a very good team. Through hard work and aggressive play, we will obtain our goals."

Next year the team will welcome back most of the players as a tough league contender.

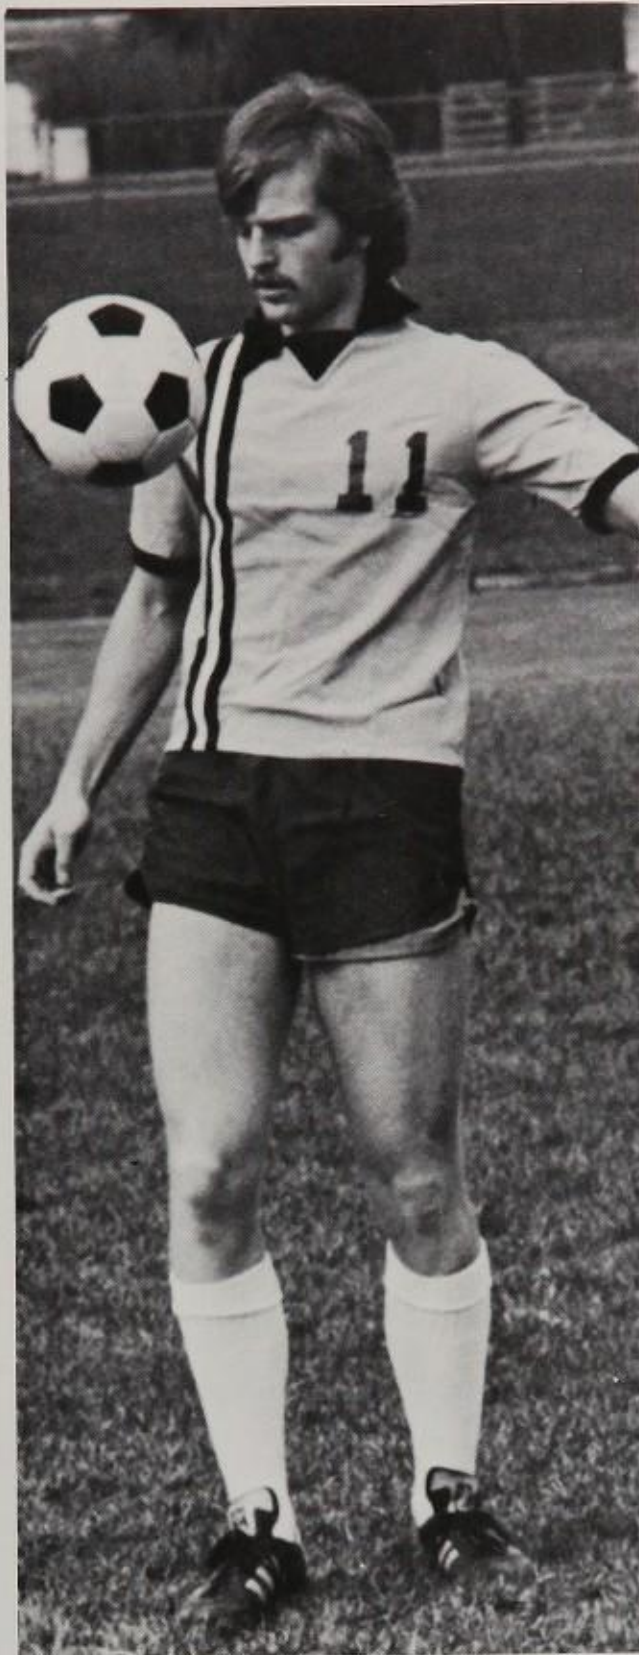

1. Mark Berger demonstrates the agile footwork leading to the Rams successful season.
2. Brent McCollough eyes the ball.
3. Steve Lorenz prepares to block a pass during the Puyallup game.
4. During Bethel game, Todd Brinkman illustrates the special skill of heading the ball.

Positive attitudes and cooperation among the boys and girls were just a couple reasons the track team ran so smoothly. A good balance of experienced runners along with a healthy group of novice tracksters provided the team with the people needed for a promising season.

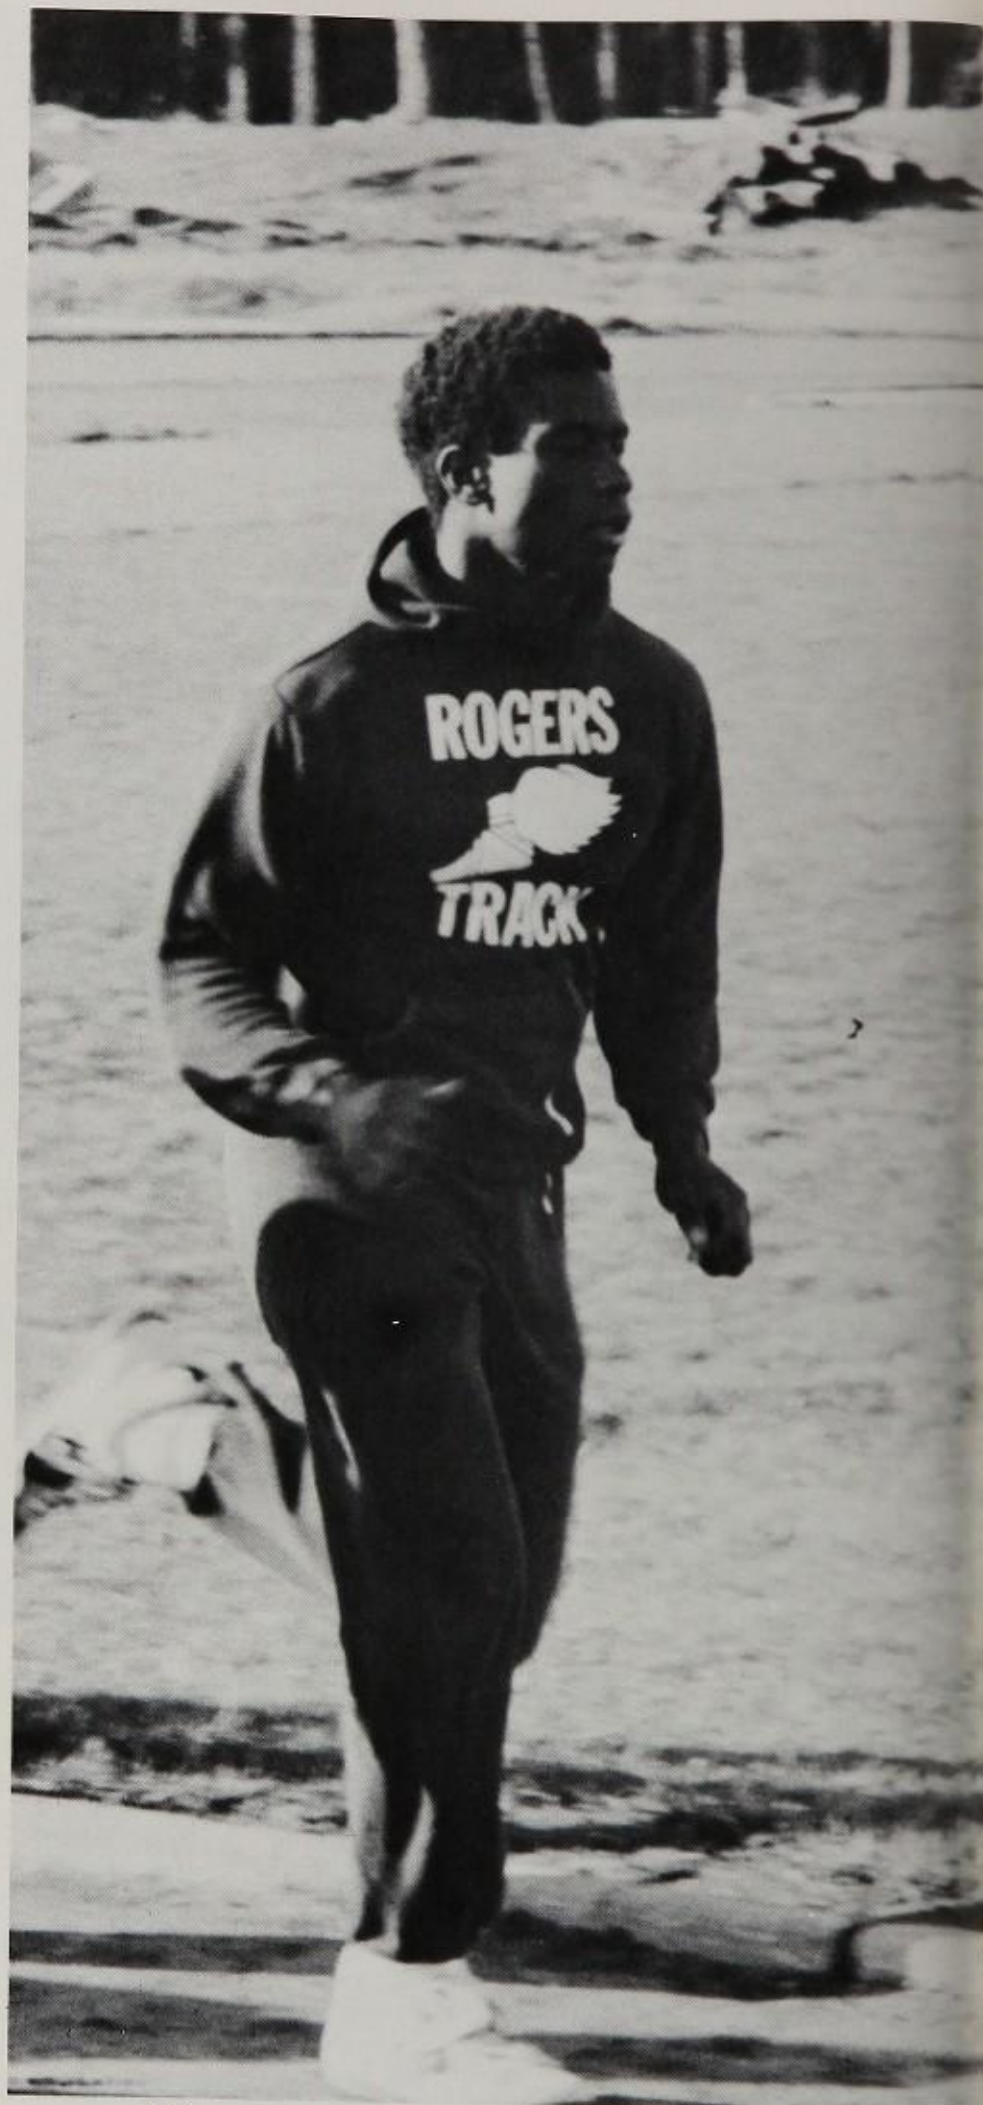

Good spirits and potential were the main characteristics of the 1982 track team. This team was coached by Miss Nybo, Mr. Wier, Mr. Reed, and Mr. Erlinmeyer. Kevin Scott, a talented athlete, did an excellent job as team captain.

For the girls, it was a rebuilding season. A lot of sophomores and new runners were on the track team this year. Miss Nybo commented, "I'm really looking forward to this year. It should be a lot of fun." Miss Nybo had high expectations of Shelly Shrader. Mr. Weir simply stated, "I want everyone just to have a good time." Everyone worked hard, and their dedication and determination kept them running tough all season.

The theme of the Daffodil Festival this year was "Daffodil Salutes Country Western". Each candidate for Daffodil Princess wrote and memorized a three minute speech and answered an impromptu question that went along with the Country-Western theme.

The candidates spent many long hard hours with their advisors, Mrs. Houghton, Mrs. Clayton, and Mrs. Wilkenson, preparing for the luncheon and the Princess Coronation. The girls became a very close-knit group because they spent a lot of time together, and because of the excitement and anticipation they shared in together.

As a princess, Judi Anderson became a part of many activities, and she found her time absorbed by exciting appearances, meeting new friends, developing self-confidence, and finally, competing with other representatives from surrounding schools in selection for Queen of the Daffodil Festival of 1982.

Rogers' annual Homecoming was held the week of October 25-30. Students started the week off on Monday by dressing up as either hippies or soldiers for War and Peace Day. On Tuesday, students wore togas to celebrate Ancient Roman Day. Wednesday, which was Yankee Doodle Day, began with a Continental breakfast at 7:00 am. Transylvania Day, and Days of the Knights and Ladies concluded the week's dress up days.

Queen Tina Russell and King Ed Kramer reigned over the alumni assembly on Friday, which was marked by a Swing Choir performance, class competition and the Royalty presentation.

Homecoming chairmans, Kelli Hartley and Brian Steeves, along with many of the senior students, put in many hard hours to make the entire week a success.

The 1981-82 yellstaff was a group of girls that were well respected by their fellow classmates.

Cheerleading was not all glamour and excitement though. It was a lot of hard work, with long hours of planning and preparing for pep assemblies, creating new cheers and new ways to inspire spirit.

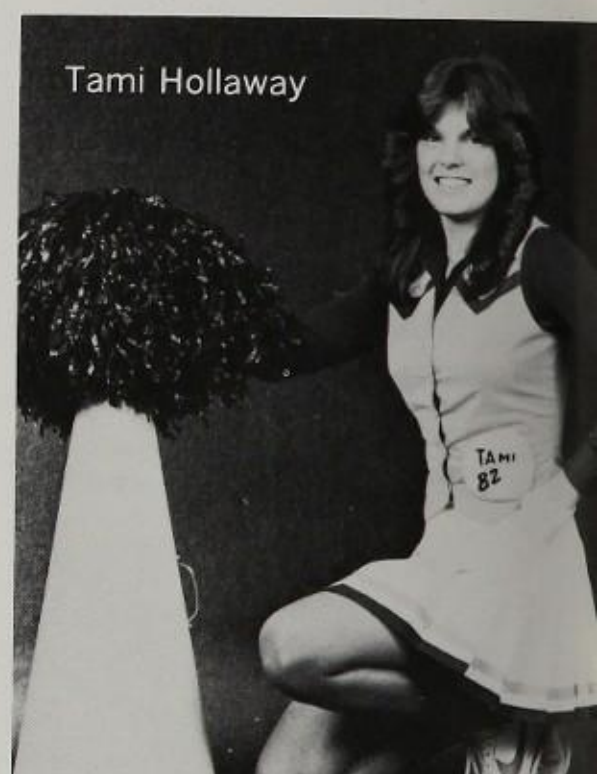

Seniors on the squad are Sue Llapitan and Robyn Nyman. Returning hopefully next year will be six juniors. They are Tracy Wagaman, Kendel Noonan, Bev Michel, Christine Wilson, Tami Hollaway, and Laurie Sawyer.

Advisor for the girls was Mrs. Pam Kinkela.

Student Council has approximately 70 representatives. These students came together to decide on projects and to help further them as the school year continued.

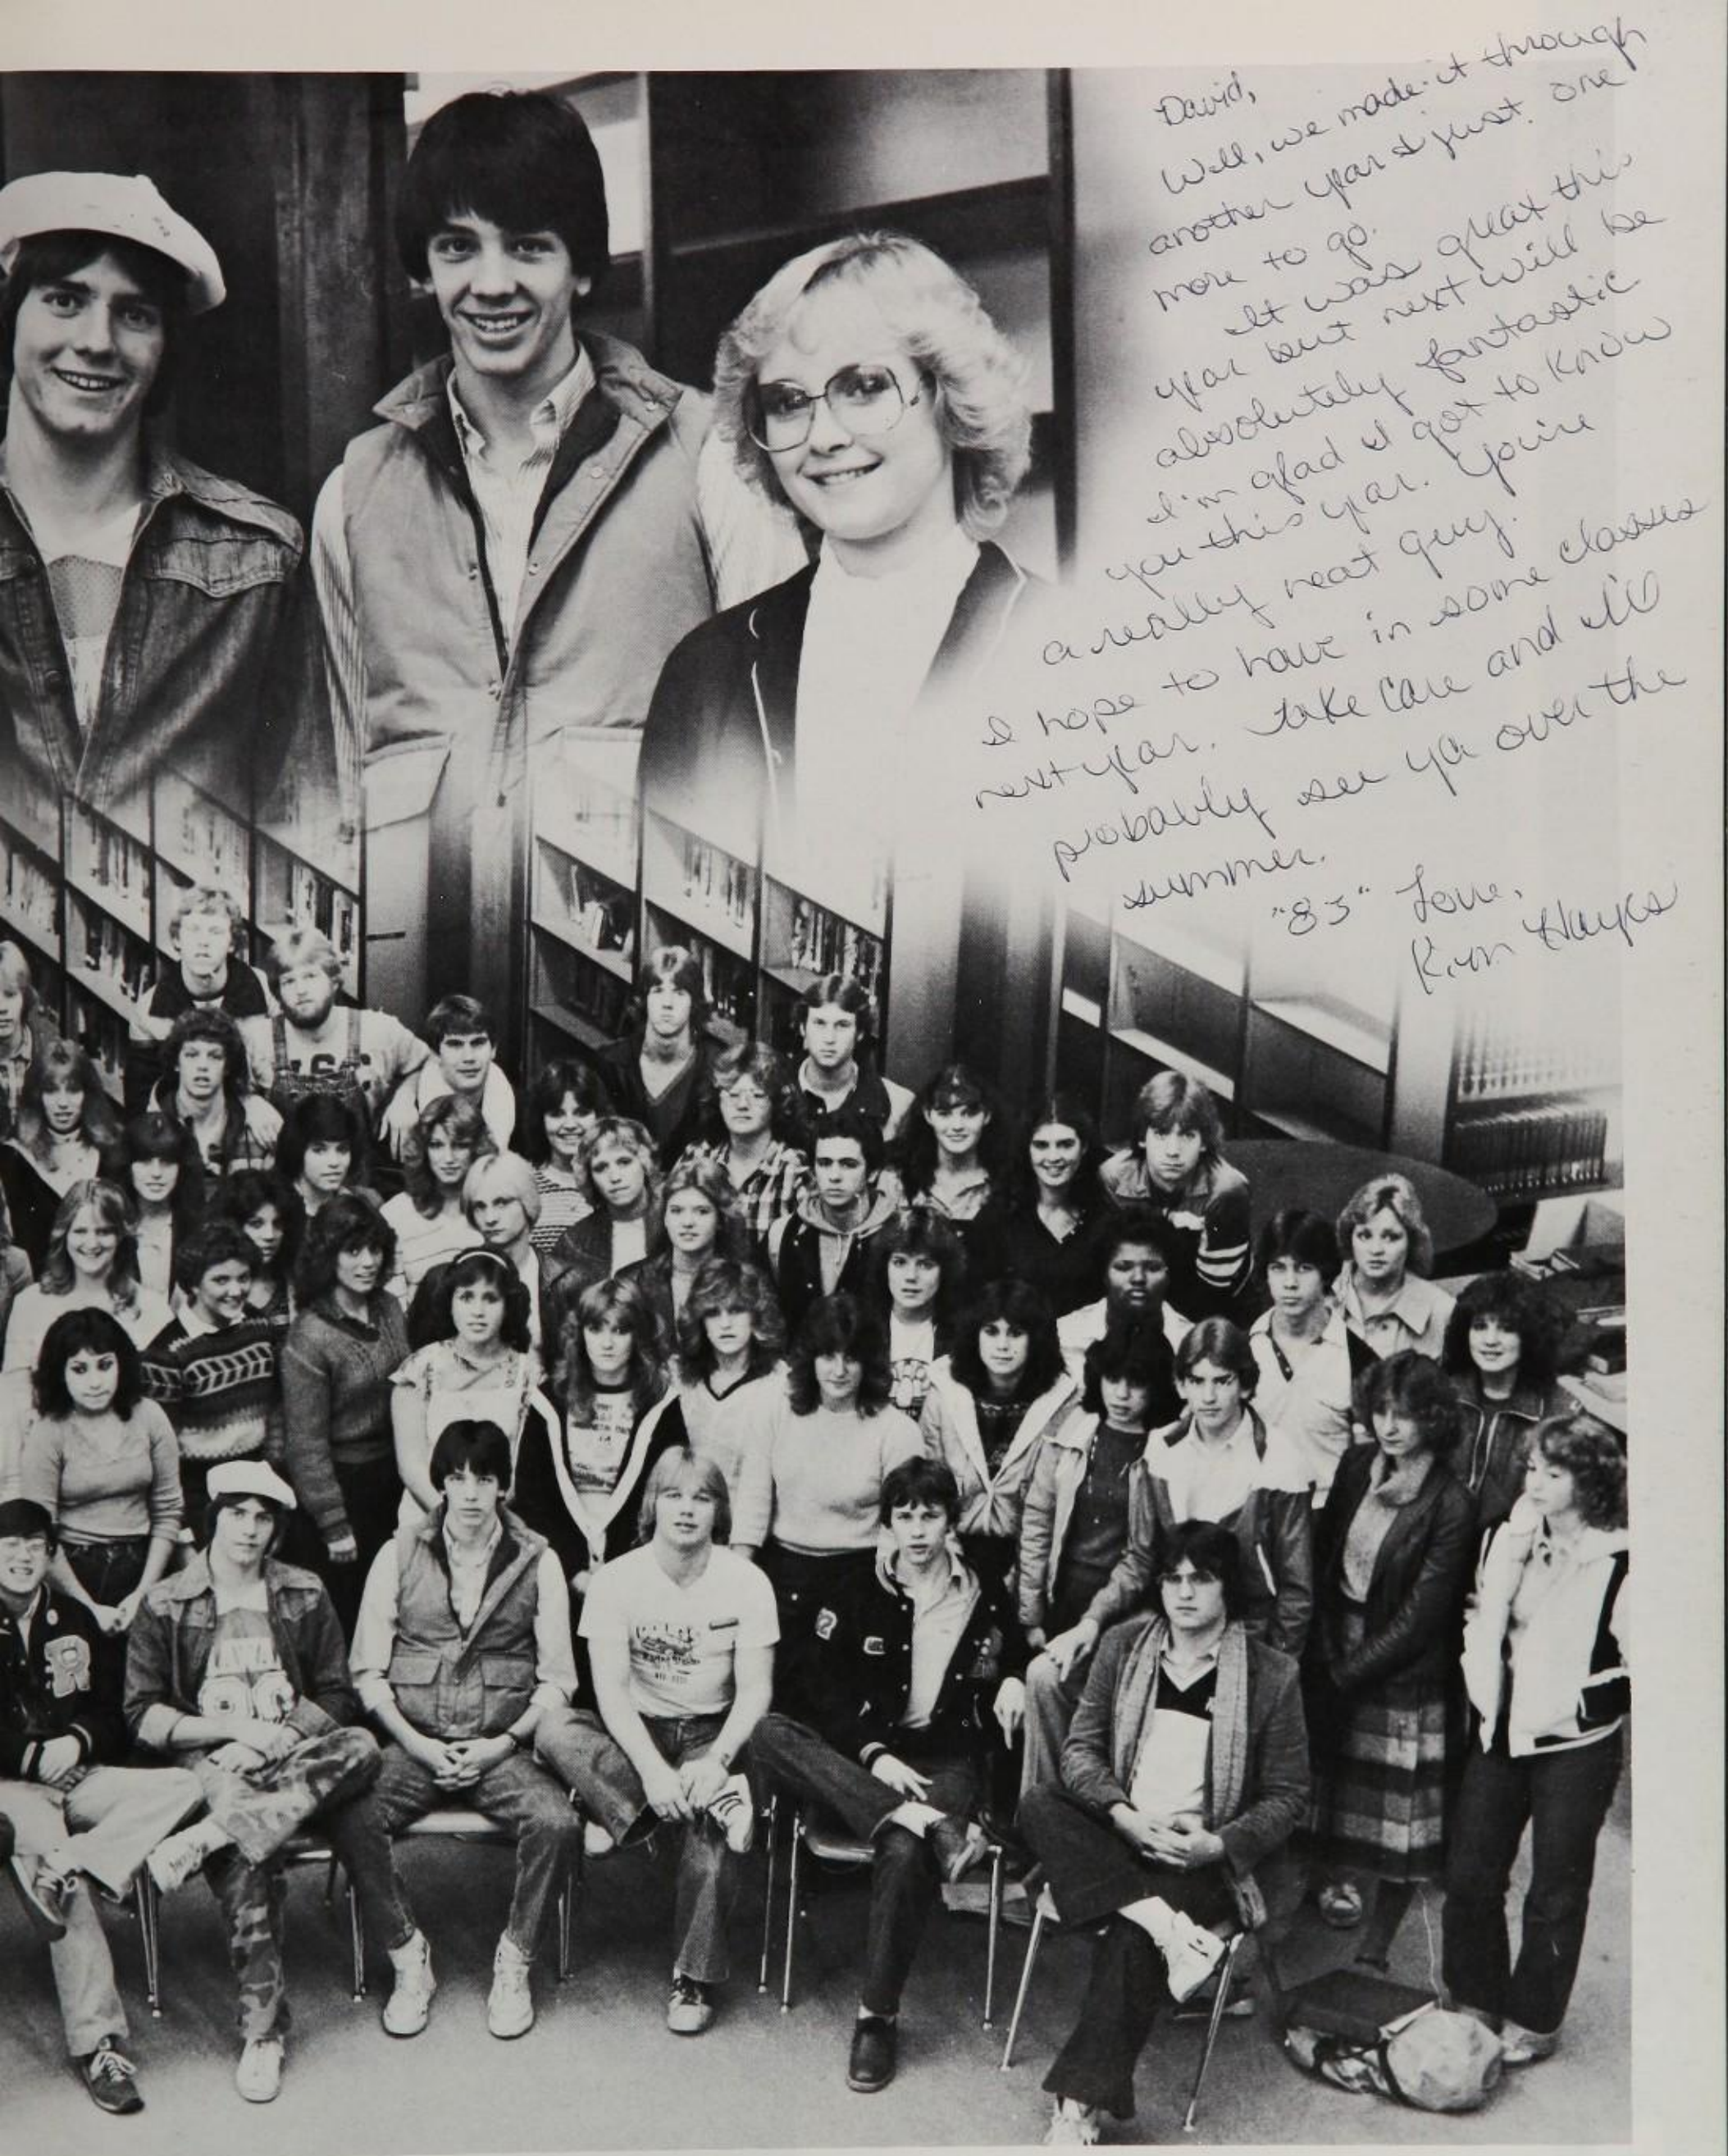

One of the goals for student council was to cultivate and organize school spirit in order to carry out worthwhile activities and projects. One special project student council worked on was a reader board for activities to be built either in front of the school or in the courtyard.

Teachers roles for student council were important. They were used as a source of history of past projects or activities, as overseers and advised committee chairpersons. They took part in activities and contributed their ideas.

This year the staff at Rogers has demonstrated a deep concern for meeting the individual needs of the students. They have stressed the learning of their subject matter as well as human relations and interaction within their society. Rogers High School is fortunate to have such professional people dedicated to their work. The work of the staff is directly reflected in the attitude presented by the Rogers student body. This has been a year with few problems and a lot of enthusiasm towards the opportunities available for the students.

The RHS faculty has often expressed many compliments regarding the quality of students in their classes. Hopefully, the student body, and especially those seniors who are leaving this year, will often look back on their years at Rogers and remember the good times, those teachers who cared about them and their future. And, while reminiscing, don't forget the successful programs and activities enjoyed so much, such as athletics and drama productions, forensic tournaments, and the many clubs and advisors who contributed so much to Rogers High School.

Rogers continues to expand to accommodate its growing student body. Opening October 30, 1982, will be the 2.2 million dollar 26,000 square foot addition to the Rogers campus. This brick building will contain a Performing Arts center with an 850 person seating capacity, a weight room station, 3 foreign language rooms, 2 business education rooms for typing and accounting, one computer science room, one biology room, and one biology/chemistry room. It doubles the size of the present girls and boys locker rooms. The expense is shared, 30% local money and 70% state money. The state receives the money from school owned timber sales. A bond for a new swimming pool will be voted on next year sometime, so hopefully in the future Rogers High School will have a pool of its own.

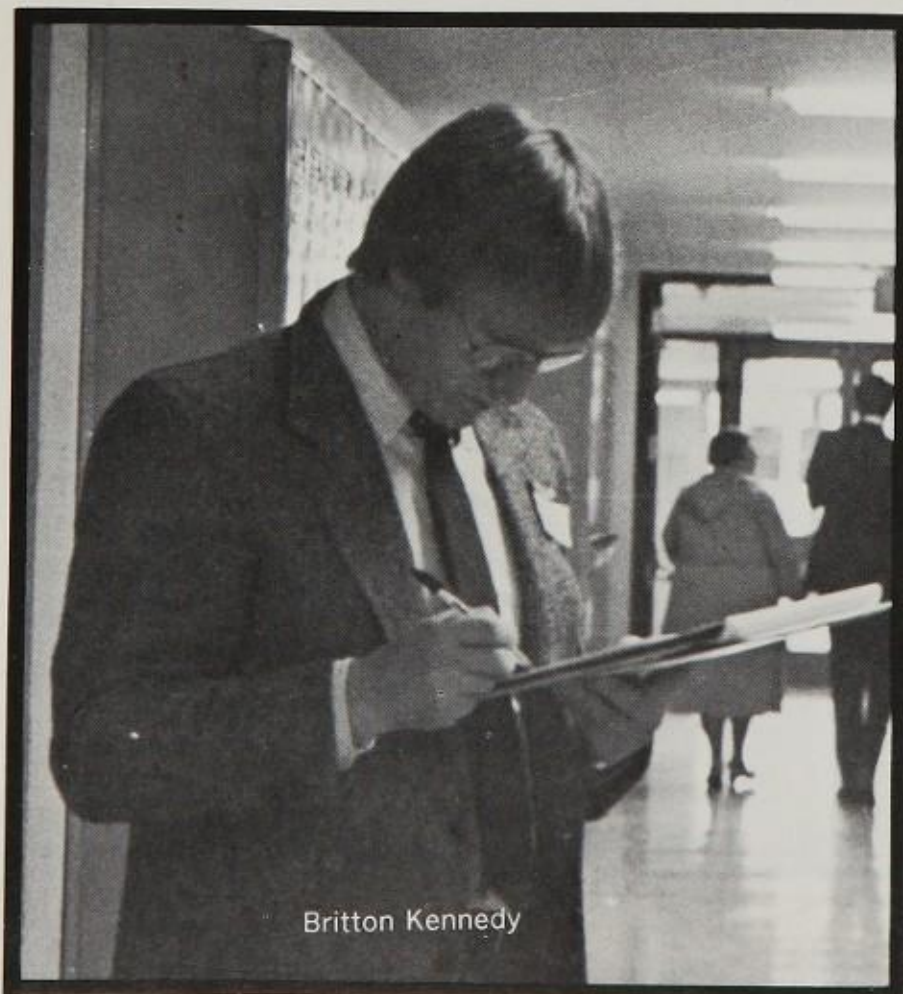

I'll try and wear

This year Rogers High School went through the process required for Accreditation by the Northwest Association of schools and colleges. The process required the staff to assess its efforts in all curricular and extra-curricular activities. It included a review of our communities educational needs and its philosophy of education. It included an evaluation of the school facilities and staff qualifications. After the staff at Rogers completed a self study and wrote reports in each of 21 areas examined. Eighty-Five educators from around the state visited Rogers to see if the self assessment was accurate. They wrote a report including commentations and recommendations for improvement which we hope to supplement and improve our school. Over all the team was extremely impressed with our student body and the positiveness of the entire program.

David, another year has come & gone & this year we hardly saw each other. I am really going to miss you. I hope we can always be good friends & I won't forget you ever. We can always remember the good times we shared. The ninth grade dance was one to remember. Our first date! My mom & dad won't forget you either. They really like you.

You are one of the guys that I've gone with that I regret leaving up with. But I'm glad we are in the future. I hope you might cross again! And we'll come of it. I break any liking you that one I stated me & Gary. But we never at school. I hope you have a great summer & a terrific senior year. I hope to see you at graduation & I am coming into to much trouble with the girls. And don't wreck that beautiful car. Don't you get the hint. I only like ya for the car. (just kidding) But always remember that you are a very special person to me & I'm not just saying that to be nice. You're super. Lets always keep in touch. Stay sweet! you have to send me lunches & lunches of pictures of you so I can show all my friends.

Love ya Forever
